The Origin of Brands Al Ries, Laura Ries, 2009-03-17 What Charles Darwin did for biology Al and Laura Ries do for branding In their exciting new book *The Origin of Brands* the Rieses take Darwin's revolutionary idea of evolution and apply it to the branding process What results is a new and strikingly effective strategy for creating innovative products building a successful brand and in turn achieving business success Here the Rieses explain how changing conditions in the marketplace create endless opportunities to build new brands and accumulate riches But these opportunities cannot be found where most people and most companies look That is in the convergence of existing categories like television and the computer the cellphone and the Internet Instead opportunity lies in the opposite direction in divergence By following Darwin's brilliant deduction that new species arise from divergence of an existing species the Rieses outline an effective strategy for creating and taking to market an effective brand In *The Origin of Brands* you will learn how to Divide and conquer Exploit divergence Use the theories of survival of the fittest and survival of the second best Harness the power of pruning Using insightful studies of failed convergence products and engaging success stories of products that have achieved worldwide success through divergence the Rieses have written the definitive book on branding *The Origin of Brands* will show you in depth how to build a great brand and will lead you to success in the high stakes world of branding

War in the Boardroom Al Ries, Laura Ries, 2009-10-06 Renowned business gurus Al and Laura Ries give a blow by blow account of the battle between management and marketing and argue that the solution lies not in what we think but in how we think There's a reason why the marketing programs of the auto industry the airline industry and many other industries are not only ineffective but bogged down by chaos and confusion Management minds are not on the same wavelength as marketing minds What makes a good chief executive A person who is highly verbal logical and analytical Typical characteristics of a left brainer What makes

a good marketing executive A person who is highly visual intuitive and holistic Typical characteristics of a right brainer These different mind sets often result in conflicting approaches to branding and the Ries thought provoking observations culled from years on the front lines support this conclusion including Management deals in reality Marketing deals in perception Management demands better products Marketing demands different products Management deals in verbal abstractions Marketing deals in visual hammers Using some of the world s most famous brands and products to illustrate their argument the authors convincingly show why some brands succeed Nokia Nintendo and Red Bull while others decline Saturn Sony and Motorola In doing so they sound a clarion call to survive in today s media saturated society managers must understand how to think like marketers and vice versa Featuring the engaging no holds barred writing that readers have come to expect from Al and Laura Ries War in the Boardroom offers a fresh look at a perennial problem and provides a game plan for companies that want to break through the deadlock and start reaping the rewards [InfoWorld](#) ,2000-12-18 InfoWorld is targeted to Senior IT professionals Content is segmented into Channels and Topic Centers InfoWorld also celebrates people companies and projects *Business 2.0* ,2002 *Internet Marketing For Dummies* Frank Catalano,Bud E. Smith,2000-11-15 This update to Marketing Online For Dummies includes all of the great topics from the original book plus an additional focus Internet advertising a very hot topic The right Internet advertising campaign can cost very little and make a product launch or even a company a winner the wrong approach can be a huge waste of time and effort The authors have hands on experience doing both guerrilla marketing and million dollar deals in this critical area Also covered in this edition is a quick start guide to getting net savvy a survival requirement in the Web marketing world **Brands, Trademarks, and Advertising** Rodney D. Ryder,2003 On the legal protection of brands from copying counterfeiting and unfair competition [The Brand Gap](#) Marty Neumeier,2003 THE BRAND GAPis the first book to present a unified theory of brand Whereas most books on branding are weighted toward either a strategic or creative approach this book shows how both ways of thinking can unite to produce a charismatic brand a brand that customers feel is essential to their lives In an entertaining two hour read you ll learn a new definition of brand the five essential disciplines of brand building how branding is changing the dynamics of competition the three most powerful questions to ask about any brand why collaboration is the key to brand building how design determines a customer s experience how to test brand concepts quickly and cheaply the importance of managing brands from the inside Also see THE BRAND GAP second edition which includes a 220 term brand glossary and premium softcover binding FROM THE BACK COVER Not since McLuhan s THE MEDIUM IS THE MESSAGE has a book compressed so many ideas into so few pages Using the visual language of the boardroom Neumeier presents the first unified theory of branding a set of five disciplines to help companies bridge the gap between brand strategy and brand execution Those with a grasp of branding will be inspired by what they find here and those who would like to understand it better will suddenly get it This deceptively simple book offers everyone in the company access to the most powerful business

tool since the spreadsheet Finally a book that cuts to the heart of what brand is all about connecting the rational and the emotional the theoretical and the practical the logical and the magical to create a sustainable competitive advantage Everyone in the company should read this book not just the three people with brand in their titles Susan Rockrise Worldwide Creative Director Intel A pleasure to read THE BRAND GAP consistently provides deep practical insights in a light visual way Discover the power of imagery and the role of research in building a heavy duty brand without the heavy duty reading David Aaker Author of Brand Leadership and Building Strong Brands Neumeier stands out among brand savvy professionals His experience as a designer writer and strategist lends realism to his five disciplines of brand building Anyone who needs a deeper understanding of the creation management and evolution of brands should grab this book with both hands and start reading Patrick Fricke Manager of Print and New Media Design Kodak This is not just another book on brand This is the only book you ll need to read in business engineering and design school Clement Mok Design enterprenuer President of AIGA THE BRAND GAP is an original It describes the full range of creative interdependencies that need to be managed in concert but in a language so plain crisp and simple that you suddenly see the concept of brand and can act boldly on it Peter Van Naarden Director of Global Brand for Hewlett Packard Co THE BRAND GAP couldn t be more timely Just when we re at our most skeptical about corporate motives along comes a book that shows how to evaluate and develop a brand in a straightforward and honest manner David Stuart Brand Designer and Co Founder of The Partners London This is an important work with just the right level of accessibility Despite our overexposure to brand theory these days THE BRAND GAP is the first book that seems fresh and relevant Richard Grefe Executive Director The Am Internet Marketing Dave Chaffey,2003 This guide explains how organisations can use the Internet to support their marketing activities Building on traditional marketing theory together with emerging academic literature it details an approach to applying the Internet for marketing *PC Magazine* ,2001 Business Periodicals Index ,2000 **Learning to Lead and Manage Information Literacy Instruction** Esther S.
