1 & 2 Chronicles Overview

Chronicles is an historical account of the nation of Israel, beginning with Adam and ending with King Cyrus, allowing the reader to see Judah's return to their land. There is a significant emphasis on King David, Solomon's construction of the temple, followed by the gradual decline of the kings of Judah, finally leading to exile.

The author wrote these books to the returning exiles of Judah, to remind them of their history and to build confidence, pride, and loyalty. It reveals the promises of the king to show the importance of God's covenant, include evidence, and acknowledge the return to the land. This was a reminder to the returning exiles.

1 2 Chronicles Old Testament:

I And II Chronicles Sara Japhet,1993-11-01 This volume a part of the Old Testament Library series explores the books of I and II Chronicles The Old Testament Library provides fresh and authoritative treatments of important aspects of Old Testament study through commentaries and general surveys The contributors are scholars of international standing **1, 2 Chronicles** John Arthur Thompson,1994 One in an ongoing series of esteemed and popular Bible commentary volumes based on the New International Version text 1 & 2 Chronicles John Mark Hicks,2001 **1-2 Chronicles** Mark J. Boda,2010 The Cornerstone Biblical Commentary provides students pastors and laypeople with up to date evangelical scholarship on the Old and New Testaments It s designed to equip pastors and Christian leaders with exegetical and theological knowledge to better understand and apply God s word by presenting the message of each passage as well as an overview of other issues surrounding the text Featuring the entire text of 1 2 Chronicles in the New Living Translation **1 and 2 Chronicles** Andrew E. Hill,2010-05-11 The NIV Application Commentary helps you communicate and apply biblical text effectively in today s context To bring the ancient messages of the Bible into today s world each passage is treated in three sections Original Meaning Concise exegesis to help readers understand the original meaning of the biblical text in its historical literary and cultural context Bridging Contexts A bridge between the world of the Bible and the world of today built by discerning what is timeless in the timely pages of the Bible Contemporary Significance This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved This unique award winning commentary is the ideal resource for today s preachers teachers and serious students of the Bible giving them the tools ideas and insights they need to communicate God s Word with the same powerful impact it had when it was first written First and Second Chronicles Andrew E. Hill,2003 The Chronicles are more than a history of ancient Israel under the ascent and rule of the Davidic dynasty They are a story whose grand theme is hope Great battles are fought heroes and tyrants vie for power Israel splits into rival kingdoms and the soul of God s holy nation oscillates between faithlessness and revival Yet above this tossing sea of human events God s covenant promises reign untroubled and supreme First and Second Chronicles are a narrative steeped in the best and worst of the human heart but they are also a revelation of Yahweh at work forwarding his purposes in the midst of fallible people God has a plan to which he is committed Today as then God redirects our vision from our circumstances in this turbulent world to the surety of his kingdom and to himself as our source of confidence and peace Exploring the links between the Bible and our own times Andrew E Hill shares perspectives on 1 and 2 Chronicles that reveal ageless truths for our twenty first century lives Most Bible commentaries take us on a one way trip from our world to the world of the Bible But they leave us there assuming that we can somehow make the return journey on our own They focus on the original meaning of the passage but don t discuss its contemporary

application The information they offer is valuable but the job is only half done The NIV Application Commentary Series helps bring both halves of the interpretive task together This unique award winning series shows readers how to bring an ancient message into our postmodern context It explains not only what the Bible meant but also how it speaks powerfully today **A**

Biblical-Theological Introduction to the Old Testament Miles V. Van Pelt,2016-05-31 The Old Testament is not just a collection of disparate stories each with its own meaning and moral lessons Rather it s one cohesive story tied together by the good news about Israel s coming Messiah promised from the beginning Covering each book in the Old Testament this volume invites readers to teach the Bible from a Reformed covenantal and redemptive historical perspective Featuring contributions from twelve respected evangelical scholars this gospel centered introduction to the Old Testament will help anyone who teaches or studies Scripture to better see the initial outworking of God s plan to redeem the world through Jesus Christ
