## **1 Timothy 2 Timothy Titus:**

**Abingdon New Testament Commentaries: 1 & 2 Timothy and Titus** Jouette M. Bassler, 2011-09-01 Jouette Bassler's volume on the Pastoral Letters is a model of careful clearly written cogent interpretation. She gives faithful attention to the problematic trees along the exegetical path yet without losing sight of the forest. Organized by literary units but not avoiding difficult verses, Bassler's commentary keeps before the reader the unfolding history of the early Christian community from which the text emerges. It is unquestionably the best resource we have on the Pastoral Letters. Charles B. Cousar, Columbia Theological Seminary. Bassler's commentary has the crispness of style and no nonsense quality about it that one has come to expect from its author. The underlying learning is evident throughout. It results in careful critical exegesis that places the Pastorals securely in their social and historical context. All relevant issues are explained and discussed. Bassler is particularly good at referring the reader to other texts that illuminate her own with a broad range over Jewish Greco-Roman and Christian texts. She presupposes the non-Pauline authorship of the Pastorals but otherwise has no special axes to grind. As an introductory commentary for theological students, it could not be bettered. Troels Engberg Pedersen, Copenhagen University, Denmark. [Pastoral Epistles](#) Andrew C. S. Koh, 2022-12. This is an expositional Bible study and devotional guide on 1 Timothy 2 Timothy and Titus. A careful reading, study, meditation, and application of scripture will enable readers to grow in the knowledge and grace of our Lord and Saviour Jesus Christ. 2 Peter 3:18. 1 Timothy 2 Timothy and Titus are Paul's pastoral epistles. These are the very late writings of the apostle Paul and contain important teachings on pastoral leadership, Christian conduct, and relationships, countering heretic teachers and early Gnosticism. These are very applicable to our modern church because there are many false teachers and prophets who preach corrupt doctrines today. Dr. Andrew C. S. Koh has given a clear background and simple explanations of every passage in 1 Timothy 2 Timothy and Titus. At the end of each lesson, he gives a devotional application and prayer. There are 3 chapters and 16 lessons, so you can use this study guide as 16 Bible Studies over 16 weeks. Any student who goes through this study guide carefully will gain a good foundational understanding of 1 Timothy 2 Timothy and Titus. **1, 2 Timothy, Titus** Thomas D. Lea, Hayne P. Griffin, 1992. 1 Timothy, 2 Timothy, Titus Andrew C. S. Koh, 2021-07-24 Paul's pastoral letters are as good as his last testament He knew his time was coming to an end soon With his last and final exhortation to his disciples he continued to press home the point to be faithful to Christ as he himself has been throughout his ministry What a great and amazing disciple of Christ Paul was one who irrespective of the terrible treatments he had received from his persecutors and the enemies of the Gospel yet he could say that I have fought the good fight I have finished the race I have kept the faith Paul too did not deliberately only say the nice things to present a good picture of himself and his ministry He was very firm with right theological understanding as well as proper and holy living So he did not mince his words to lash out at those who taught heretical doctrines and those who practised immoral and impure living He recognised that the churches had been infiltrated with many worldly influences and traditions Thus he strongly condemned the inconsistent and improper elements that had existed in the churches that caused divisions and destroyed good testimonies He encouraged his beloved disciples Timothy and Titus to return to teach the redemptive work of Christ according to His mercy He saved us through the washing of regeneration and renewing of the Holy Spirit through Jesus Christ our Savior that having been justified by His grace we should become heirs according to the hope of eternal life and to live lives of Christlikeness as heirs of God as well as to appoint bishops and elders to do likewise The author has pinpointed affirmatively that there is no place for discrimination in the service of God and laxity in the proper understanding of the theology and Gospel of Christ as well as in the selection of church leadership The author provided a clear background and simple explanations of every passage in 1 Timothy 2 Timothy and Titus At the end of each lesson he gives a devotional application and prayer There are 3 chapters and 16 lessons so you can use this study guide as 16 Bible Studies over 16 weeks Any student who goes through this study guide carefully will gain a good foundational understanding of 1 Timothy 2 Timothy and Titus A careful reading study meditation and application of scripture will enable readers to grow in the knowledge and grace of our Lord and Saviour Jesus Christ 2 Peter 3:18 These late writings of apostle Paul contain important teachings on pastoral leadership Christian conduct and relationships and teaching to counter heretic teachers and early Gnosticism These are very applicable to our modern church because there are many false teachers and prophets who preach and teach corrupt doctrines today

David Pawson,2015-09-08 Paul's letters to Timothy and Titus have sometimes been labelled his Pastoral Epistles. Scholars have assigned them to a later period in Paul's ministry when churches he founded were more settled in structure perhaps after release from his first imprisonment in Rome and during a second which may be true. Others postulate a later pseudonymous writer claiming to be Paul which may not be true. The fact is that all Paul's letters are pastoral in content full of paternal care and concern for his converts and their fellowships. What really distinguishes these is that they are addressed to individuals rather than churches. So it seems more appropriate to classify them as his Personal correspondence. We can therefore expect them to reveal more of his personal relationship with his and their reactions to his delegated responsibilities giving helpers their unique interest and relevance. It also enables us to include the brief note to Philemon whose importance in the New Testament tends to be overlooked. *1 & 2 Timothy, Titus* Paul M. Zehr,2010-12-20 In this twenty second volume of the Believers Church Bible Commentary series author Paul M Zehr explores Paul's instructions to Timothy and Titus in light of recent scholarship applying Christian theology and ethics to the political philosophical religious and cultural issues that early Christians faced as the church reached out in mission in Ephesus and on the island of Crete. Additionally Zehr also shows how the themes in 1 sets the theological themes in their wider biblical contexts and surveys the history of the interpretation and influence of the letters particularly in the Anabaptist Mennonite tradition. I warmly commend this attractive presentation which should greatly encourage and assist exposition of these fascinating letters. I Howard Marshall University of Aberdeen Scotland This commentary by Paul Zehr provides helpful guidance to interpret important but difficult passages in a contemporary Anabaptist manner. Zehr is alert to current ecumenical and evangelical scholarship on the pastorals to the historical and cultural contexts reflected in these books to the difficult issues of authorship and to the energy of these letters for the well being of healthy church leadership. John A Esau former Mennonite pastor and denominational administrator With careful scholarship and a Christ centered hermeneutic Paul Zehr has given to the church an insightful guide in understanding the pastoral epistles. He seeks to work carefully with the cultural background of these scriptures their context in the larger Scripture and in applications to our setting. He does not back away from engaging the difficult issues that have divided groups but calls us to follow Paul's example of contextualizing applications. Myron S Augsburger President Professor Emeritus of Eastern Mennonite University Dr Zehr's commentary brings the most accessible scholarship knowledge of the first century cultural historical settings and a keen interest in the meaning of the text for today's church into a most engaging combination for pastors and church leaders alike. Their task in making the biblical text relevant in the twenty first century is greatly helped by this volume in the Believers Church Bible Commentary Series. Epistles while interacting with recent developments in biblical studies and the auxiliary disciplines A fresh translation of the Greek text is followed by text critical grammatical historical and theological analyses of the text Instead of a commentary on the commentaries this work grounds the reading of the Pastoral Epistles within their proper linguistic and socio cultural contexts thus allowing their distinct theological voices to emerge **1 & 2 Timothy and Titus** Thomas G. Long,2016-01-28 Thomas G Long s insightful commentary on the Pastoral Epistles argues that these often neglected letters are urgently important for readers today Some of the issues faced by New Testament churches are ours as well the lure and peril of spirituality for Christians the character of authentic worship the qualities needed for sound leadership and the relationship between family life and the church Long s interpretations of these books consider contemporary exegetical and theological outlooks and are presented through his seasoned homiletical and pastoral perspectives Pastors will be strengthened by Long s view that the Pastoral Epistles can refresh our memory about what really counts in the Christian community and how important trustworthy leaders are 1 & 2 Timothy and Titus N.
