Broadview Of Common Errors In English:

The Broadview Book of Common Errors in English Don LePan, Broadview Press. Editorial Board, 1988 *The Broadview Book of Common Errors in English* Broadview Press, INDEPENDENT PUB GROUP, 1988-01-01 *The Broadview Book of Common Errors in English - Fifth Edition* Don LePan, 2003-04-17 The Broadview Book of Common Errors in English offers full coverage of such common mistakes as commas splices sentence fragments words frequently confused words frequently misspelled mixed metaphors and subject verb agreement errors In each case the problem is clearly explained with examples illustrating both the nature of the trouble and how to put it right Unlike many guides to grammar and usage The Broadview Book refrains from dogmatism it treats correctness in English not as an unchanging objective standard laden with moral overtones but rather as a code of convenience that is extraordinarily useful in helping humans to communicate effectively and even elegantly It thus retains an openness to the inevitable process of change in the English language and recognizes that change does not imply debasement The fifth edition has been updated throughout and includes new material on capitalization on the connections between clear writing and clear arguments on academic citation systems on business writing and on particular difficulties experienced by those whose first language is not English

The Broadview Book of Common Errors in English - ESL Edition Martin Boyne, Don LePan, 1995-05-31 The ESL edition of Common Errors in English offers a comprehensive survey of the sorts of difficulties second language learners most often experience with English and provides real help to students in overcoming them The body of the book is organized according to grammatical categories covering such topics as Verb Tense difficulties Word Order Problems Negation Gerunds and Direct Objects Singular and Plural Difficulties and Direct and Indirect Speech Included as well is a comprehensive section on usage and meaning and a list of words commonly misspelled The authors take care to avoid the harshly prescriptive the book is informed throughout by a sympathetic understanding both of the difficulties that face every ESL student and of the particular problems faced by individuals from different linguistic backgrounds as they learn the peculiarities of English grammar and usage The book includes a generous selection of exercises informed by these principles and an accompanying answer key

Common Errors in English ESL Edition will be an invaluable reference text for second language learners at a wide variety of levels

The Broadview Book of Common Errors in English, fourth edition Don LePan, 1999-08-23 New fifth edition Offers full coverage of such common mistakes as commas splices sentence fragments words frequently confused words frequently misspelled mixed metaphors and subject verb agreement errors Clearly explained with examples illustrating both the nature of the trouble and how to put it right *The Broadview Book of Common Errors in English* Don LePan, 1992

Garner's Modern English Usage Bryan A.
