The Broken Cross Jack T. Chick,1974 Theme The Occult Volume two of Jack Chick s classic Crusader Series Follow the Crusaders into a small town where even the sheriff is part of an occult group They meet Jody who got into witchcraft for the power but instead lives in fear and depression When they lead her to Christ the trouble begins An action packed story with a great God honoring ending

Broken Cross Graham Baugh,2021-10-26 Father Francis Bauer a Roman Catholic priest and theologian has a deep and unshakable faith in God and the teachings of Christ but when his research leads him to start questioning certain exclusionary and even selfish corporate policies forming part of the 21st century church paradigm that seem to go against everything he s been taught his faith will be tested like never before When his published research detailing how the Church has strayed from the original intent of Christianity starts to receive traction in the media growing ever more popular even among secular circles he finds himself at odds with his Church stripped of all but his most basic credentials as a priest by his superiors and urged into exile after whispered warnings about his physical safety Skeptical of the threat but trusting his advocate Bauer heeds the advice and goes on the run narrowly avoiding a trained black ops operative hired by shady members deep within the Church tasked with silencing him one way or another Unfortunately keeping off of the hitmen s radar will take a genuine miracle

A Broken Cross Timothy W. Hill Sr.,2022-08-19 Who do you declare yourself to be when your identity is fractured and you re left in your wilderness as you navigate between two altars The issues of life come upon us in various ways and varying stages and knowing who we are at those times is vital The Broken Cross seeks to speak to those issues from a personal and spiritual perspective Written by a soul that has seen both victories and failures in life this study offers insight on personal identity and the ways in which God has prepared us mentally and spiritually to survive during our own self imposed failures and our sense of feeling lost between callings When we fail to know our identity beyond our name we face a constant struggle with our life s assignment Only when we embrace our God given identity can we return to destiny s path Encompassing both personal narrative and biblical study this guide explores self awareness in relation to mental and spiritual conditions and consider the question of our God given identity
