view have been challenged and laid bare by Buddhas own words Anands claim to authenticity is his poetic truth that he  
considers more reliable than mere books These poems were first published in Urdu and were hailed as the first ever

endeavor to present Buddhas teaching through the modern poetic idiom To render topics like sex desire in young monks and meat eating if it was given as bhiksha alms were indeed controversial but more so were Buddhas own lapses Does he still feel lust for the other sex asks Anand and he replies in affirmative Doesnt he have a guilty conscience in abandoning his wife and child asks Anand and Buddhas answer is still aye but he defends it too Is he going to get nirvana freedom from the birth cycle after this life His answer is in the negative He visualizes that he would be born as Jesus in his next birth and get nirvana only after he is crucified So are some of his answers on the existence of God hell or heaven and whether or not this earth itself is either of these two Having taught English and comparative literature in universities in India England Canada and USA Satyapal Anand now lives a secluded life in a suburb of Washington DC
