Carnival Of Longing:

Carnival of Longing Kristjana Gunnars, 1989 Written in five sections these poems prose poems lament the inadequacy of words to interpret passion and longing yet with an exquisite sense of paradox do so in language remarkable for its poise and elegance **Kristjana Gunnars** Monique Tschofen, 2004 The writings collected here all testify to the complexity of Gunnars's literary vision as much as they testify to the sheer pleasures of reading her work In her interview Gunnars speaks both as a reader and a writer describing the form and modes of address of her work as well as the philosophical and literary traditions she draws from The nine essays and two poems that follow organized chronologically according to the publication dates of the primary texts they treat represent a broad range of approaches to Kristjana Gunnars's work The contributors are M Travis Lane Judith Owens Janice Kulyk Keefer Deidre Lynch Stephen Scobie Anne Malena Siobhan O Flynn K I Press and Christl Verduyn It is my hope that readers will find in this critical community some productive points of entry into Gunnars's corpus that will stimulate their own thinking about her words and ideas from the Introduction by Monique Tschofen
