Renate Anger ,2001 Carpe Diem Robert A. Rohland,2022-12-01 Carpe diem eat drink and be merry for tomorrow we die is a prominent motif throughout ancient literature and beyond This is the first book length examination of its significance and demonstrates that close analysis can make a key contribution to a question that is central to literary studies in and beyond Classics how can poetry give us the almost magical impression that something is happening here and now In attempting an answer Robert Rohland gives equal attention to Greek and Latin texts as he offers new interpretations of well known poems from Horace and tackles understudied epigrams Pairing close readings of ancient texts along with interpretations of other forms of cultural production such as gems cups calendars monuments and Roman wine labels this interdisciplinary study transforms our understanding of the motif of carpe diem **NBU Carpe Diem Vol. 1 No. 2 April**
