Carry on, Jeeves Sir Pelham Grenville Wodehouse, 1986-01-01 Now touching this business of old Jeeves my man you know how do we stand Lots of people think I'm much too dependent on him My Aunt Agatha in fact

has even gone so far as to call him my keeper Well what I say is Why not The man s a genius From the collar upward he stands alone I gave up trying to run my own affairs within a week of his coming to me That was about half a dozen years ago directly after the rather rummy business of Florence Craye my Uncle Willoughby s book and Edwin the Boy Scout The thing really began when I got back to Easeby my uncle s place in Shropshire I was spending a week or so there as I generally did in the summer and I had had to break my visit to come back to London to get a new valet I had found Meadowes the fellow I had taken to Easeby with me sneaking my silk socks a thing no bloke of spirit could stick at any price It transpiring moreover that he had looted a lot of other things here and there about the place I was reluctantly compelled to hand the misguided blighter the mitten and go to London to ask the registry office to dig up another specimen for my approval They sent me Jeeves I shall always remember the morning he came It so happened that the night before I had been present at a rather cheery little supper and I was feeling pretty rocky On top of this I was trying to read a book Florence Craye had given me She had been one of the house party at Easeby and two or three days before I left we had got engaged I was due back at the end of the week and I knew she would expect me to have finished the book by then You see she was particularly keen on boosting me up a bit nearer her own plane of intellect She was a girl with a wonderful profile but steeped to the gills in serious purpose I can t give you a better idea of the way things stood than by telling you that the book she d given me to read was called Types of Ethical Theory and that when I opened it at random I struck a page beginning The postulate or common understanding involved in speech is certainly co extensive in the obligation it carries with the social organism of which language is the instrument and the ends of which it is an effort to subserve All perfectly true no doubt but not the sort of thing to spring on a lad with a morning head I was doing my best to skim through this bright little volume when the bell rang I crawled off the sofa and opened the door A kind of darkish sort of respectful Johnnie stood without I was sent by the agency sir he said I was given to understand that you required a valet I d have preferred an undertaker but I told him to stagger in and he floated noiselessly through the doorway like a healing zephyr That impressed me from the start Meadowes had had flat feet and used to clump This fellow didn t seem to have any feet at all He just streamed in He had a grave sympathetic face as if he too knew what it was to sup with the lads

Wodehouse, 2009-11-01 The Inimitable Jeeves A classic collection of stories featuring some of the funniest episodes in the life of Bertie Wooster gentleman and Jeeves his gentleman's gentleman in which Bertie's terrifying Aunt Agatha stalks the pages seeking whom she may devour while Bertie's friend Bingo Little falls in love with seven different girls in succession including the bestselling romantic novelist Rosie M Banks And Bertie with Jeeves's help hopes to evade the clutches of the terrifying Honoria Glossop At its heart is one of Wodehouse's most delicious stories The Great Sermon Handicap Carry On Jeeves These marvellous stories introduce us to Jeeves whose first ever duty is to cure Bertie's raging hangover If you would drink this sir it is a little preparation of my own invention It is the Worcester Sauce that gives it its colour The raw egg makes it nutritious The red pepper gives it its bite Gentlemen have told me they have found it extremely invigorating after a late evening And from that moment one of the funniest sharpest and most touching partnerships in English literature never looks back Very Good Jeeves An outstanding collection of Jeeves stories every one a winner in which Jeeves endeavours to give satisfaction By saving a grumpy cabinet minister from being marooned and attacked by a swan in the process saving Bertie Wooster from his impending doom By rescuing Bingo Little and Tuppy Glossop from the soup twice each By arranging rather too many performances of the song Sonny Boy to a not very appreciative audience And by a variety of other sparkling stratagems that should reduce you to helpless laughter Fiction Catalog, 1928 **A Study of the Modern Novel** Annie Russell Marble, 1928 P.
