Cars And People Pissing At 60 Miles An Hour:

Cars and People Anthony D. Ziegler,2002-11 Car guys scratch and sniff at their posts They turn around throughout the month and try to get that last up out the door and down the street They burn out and burn up and die trying to get someone to burn gas It s the way it s happened for years and the way it will always be One day it s the middle of the month and everybody is working to make their paycheck and the next day it s over On the last day your pulse shakes while you look at the chalkboard counting units sold Eyes comparing worth and worthiness and wide eyed wondering when they ll get some rest The night fucks you like you re standing against a streetlamp One minute you re off and the next you re all lit up and shining on the hood of a strangers car with a thong around your ears One minute it s the last day of the month and you need to sell one more car and the next minute it s midnight December fucking first and that s all It s over It rolls around on the ground like a cat masturbating It rolls around on the ground looking inviting until it scratches you It rolls around in the sunlight of morning licking its end

Drivetime Anthony Ziegler,2003-11 It s the light in our bedroom that answers the question It s not whether she s awake that matters really It s whether the light is on If the light is off she chose to turn it off If it s on she intended to see me That s all that I m concerned with When I pull in our driveway and the light is on I know She s folding clothes reading her book taking a shower brushing her hair into pony tails or has fallen asleep waiting I know she intended to wait up The knowing is all that matters Change is good or so they say They being everyone but me that is Everyone who isn t going through a change or has been through one in the past Not those of us who are facing the uncertainty of change in the present None of us would agree The fear of what could happen when the road turns keeps us set on our path We are familiar with our surroundings and there is little reason to venture very far away from what we know I have no choice in the matter My life is changing and I m going along for the ride

She Forgets the Color of Her Hair Anthony Ziegler,2007-01-17 Published in eight languages beginning at the age of 9 when Zieglers works brought attention to a social concern and outraged the community This is the latest published work by the acclaimed poet Anthony is the founder of Silver Sate Fiction Writers the editor of the Okra Chicken and is known in some circles as the man who threw out Ginsberg This latest work is unique as it is a selection of prose hand picked by the poet himself These are the pieces that Anthony feels a unique part of his life

El Cerrito Anthony Ziegler,2010-04-30 Sometimes we don t look and we find things We are busy being ourselves We are enjoying the breath we breathe with the words we hear and share Everyone around us is a part of us We smile and talk to strangers as if they are friends we ve known since birth or before The moment is complete and there is no other reason to look for anything else There are no wants to fulfill Our needs are met We hold on tightly to what we have afraid it may slip out of our hands if we do not Eventually our hands become comfortably numb We no longer can feel what we are holding and often forget what it is we are holding or why we are holding so tightly to begin with We open our cupped hands to look at what we have and they are empty We had let whatever it was we thought we wanted to hold so tightly and

keep for ourselves slip away It fell on the ground somewhere while we were busy holding it It is not until what we want is lost that we may realize it s what we need **Surfer** ,2005 *Thirst* Christopher Pike,2013-03-05 Drink deep from the first three volumes of the 1 New York Times bestselling *Thirst* series in this boxed set from Christopher Pike Alisa has been a vampire for five thousand years and she s always lived on the fringe of society in order to maintain her secret But everything changes when she falls in love Suddenly there is more at stake than her own existence Her humanity is returning and secrets from her past are coming back to haunt her Alisa must quickly reconcile her new and changing identity and figure out who to trust before everything she s worked for in the past five millennia turns to ash In this boxed set containing *Thirst No 1* *Thirst No 2* and *Thirst No 3* follow Alisa s path from vampire to human to target of a covert organization as she learns what it means to be truly alive **The Horseless Age** ,1903 *Army and Navy Register* ,1928 **The Field Artillery Journal** ,1928 *Army-Navy-Air Force Register and Defense Times* ,1928 **Advertising Fortnightly** ,1927 **Esquire** ,2006
