Manufacturing Desire Arthur Asa Berger,2017-07-12 The average person in America watches four hours of television per day and spends the equivalent of nine years of his or her life in front of the television set If the attention most people devote to popular culture listening to the news watching soap operas reading the comics were added up it would reveal that most people spend an enormous amount of time with popular culture which becomes in large measure their culture Manufacturing Desire is a study of how the mass media broadcast or spread various popular arts further how the media and popular arts play a major role in shaping our everyday lives The television shows we watch the movies we see the radio programs we listen to and all the comic strips we read influence social behavior They give us ideas about what is good and evil about how to solve problems and about how we should relate to others If we understand this says Berger then the way we think about our media influenced culture will be far different than if we see popular culture as mindless entertainment Berger provides an analysis of the way popular culture and the mass media simultaneously reflect and affect various aspects of American culture and society He examines commercials television shows comics film humor and everyday life in terms of what beliefs and values are found in them what attitudes toward ourselves and our societies are contained in them how they achieve their effects and what they reflect about present day American culture and society This book is analysis of the impact mass media have across America cross culturally and internationally Manufacturing Desire will provide the general reader as well as specialists in communication and information sociology and psychology with a better understanding of the effects of mass media and popular culture on contemporary society

Essentials of Mass Communication Theory Arthur Asa Berger,1995-07-05 Solid and elegantly written introduction to its subject up to speed with the current movements in the field this is an excellent textbook for first year students The layout is well conceived and interspersed with Berger s own whimsical cartoons Sight and Sound *Games and Activities for Media, Communication, and Cultural Studies Students* Arthur Asa Berger,2004 Based on class activities and assignments used by the author over nearly forty years of teaching Games and Activities for Media Communication and Cultural Studies Students is a natural accompaniment for texts in media or cultural studies and communication courses Berger has put together a range of

activities that will help students apply the ideas and concepts learned about media and communication to films television programs advertisements and other media texts It also gives tips to students and professors on how to create new games and includes a glossary of communication and cultural studies terms Games and Activities will help turn textbook concepts into useful applications Visit our website for sample chapters

Media and Society Arthur Asa Berger, 2007 Media and Society is a lively illustrated introduction to the role that mass media and the messages and texts they carry play in our lives and our society Arthur Asa Berger explores the time we spend with media media aesthetics ethics audiences media effects technologies violence and sexuality in media and ownership Media and Society helps us understand the relationship between consumers and media the books television radio magazines web sites video games newspapers movies and other mass media we encounter every day Publisher Editorial Cartooning and Caricature Paul Somers, 1998-02-18 This reference traces the historical background of editorial cartooning and presents works that chronicle the history and criticize the aesthetics of the art It also describes anthologies and exhibition catalogs that reprint editorial cartoons and provides a list of libraries museums and historical societies which house originals and photocopies or clippings of editorial cartoons This expansive volume examines the American editorial cartoon from its beginnings in 1747 into the second Clinton administration It fills a gap in the literature providing comprehensive information on a field of growing interest to scholars and collectors This reference guide studies the evolution of editorial cartooning and places it in its historical context and provides appreciation and criticism of the cartoons presented In addition to political cartoons underground radical and propaganda cartoons are also discussed in this volume The appendixes offer important cross reference tools such as a chronology and include listings of selected historical periodicals theses and dissertations covering political cartoons This work will be of value to a broad spectrum of readers from collectors to scholars and is suitable for many fields of study

Cultural Criticism Arthur Asa Berger, 1994-11-14 Arthur Asa Berger's unique ability to translate difficult theories into accessible language makes this book an ideal introduction to cultural criticism Berger covers the key theorists concepts and subject areas from literary sociological and psychoanalytical theories to semiotics and Marxism Cultural Criticism breathes new life into the discipline by making these theories relevant to students lives The author illustrates his explanations with excerpts from classic works giving readers a sense of the important thinkers style and helping place them in their context Berger also provides a comprehensive bibliography on cultural criticism for those who wish to explore the topics at greater length Cultural Criticism is the perfect undergraduate supplemental text for such courses as media studies literary criticism and popular culture
