## **Case For Hillary Clinton:**

The Case Against Hillary Clinton Peggy Noonan, 2010-12-07 As the long scandal ridden trial of the Clinton years comes to an end and as the first lady mounts her own campaign for independent political office it is time for a summation What is the legacy of Clintonism What is there in Hillary Clinton s background talents or record of achievement that qualifies her to represent New York in the U S Senate And most important what will happen if Hillary should win this fall Where will her ambition lead her next Peggy Noonan one of our most astute political observers and a speechwriter for the Reagan White House argues in this passionate and compelling book that everyone in the United States not just New Yorkers must look closely at Hillary and the implications of her Senate bid The Case Against Hillary Clinton offers an eye opening assessment of the scandals and failures of the Clinton years from Whitewater to health care to the Filegate and Travelgate affairs casting a revealing light on the first lady s motives and behavior It poses searching questions about the difference between the citizens of New York and the Clintons of Arkansas between public service and lip service between the whole truth and the shameless parade of evasion and spin the first couple has marshaled throughout their White House years And finally in these pages Noonan calls on us to consider the climate of deception and disgrace the Clintons have left in their wake weakening our nation s moral standing and damaging our political process in ways that will take years to heal Never before has the character of a first lady been so integral to the fate of a presidential administration and no writer before Peggy Noonan has had the courage to offer so uncompromising an estimation of Hillary Clinton as the one contained in this book The Case Against Hillary Clinton takes the measure of the woman the candidate the striving politician and offers a convincing argument that her calculated bid for power will be the first truly important election of the new millennium I thought seven years ago that the Clintons might turn out to be inspiring They had guts came from nowhere were bright and hard driving he was educated credentialed a political moderate but not a boring one she appeared to be something new and interesting a modern woman who operated with confidence in all the circles of the world Hillary could have been a strong and encouraging presence maybe continuing to work in the world as a lawyer as Cherie Blair has in Great Britain a judge working mother and first lady who is everywhere a figure of respect What a presidency this would have been What a legacy they would have left What did the Clintons do with their two administrations They left behind a country more damaged more removed from its old rough idealism a country whose children live in a coarser and more dangerous place a country whose political life has been distorted and lowered And for this reason for all of these reasons Clintonism should not be allowed to continue And if it is not to continue the next great battle may prove to be the decisive one and that is the battle of New York From The Case Against Hillary Clinton Hillary Rodham Clinton Gil Troy, 2006 Chronicles the life of former first lady Hillary Rodham Clinton focusing on her activities during the ten years leading up to her national prominence and her influence on her husband s presidential administration Hearings Relating to Madison Guaranty S&L and the Whitewater

**The Case for Hillary Clinton** Susan Estrich,2009-03-17 With the Bush administration now in its final years all eyes are turning to the 2008 political season especially those of Democratic voters who are casting about for a galvanizing leader to help them win back the White House And in that role argues longtime political strategist Susan Estrich no candidate even approaches the power and promise of Hillary Rodham Clinton the senator from New York She is by far not only the most popular Democratic leader in the country but also one of its most popular and admired politicians period Both a passionate spokesperson for progressive values and a strong advocate for our troops overseas she has used her time in the Senate to establish herself successfully as a genuine political powerhouse There is no candidate whose election would bring such vitality and lasting change into the White House And she offers Americans a once in a lifetime chance to break the world s most prominent glass ceiling and elect a female president of the United States In an atmosphere where conservative Hillary bashing is still as virulent as ever Estrich demonstrates all the reasons that this principled leader still blows away any other potential contender in the early polls for 2008 And with arguments both stirring and sensible she reminds us that if Hillary should succeed America and the world would be changed forever and for the better *Treasury Department Document Production*

United States. Congress. Senate. Committee on Banking, Housing, and Urban Affairs,1995 **2016: the Campaign Chronicles** JD Foster,2017-01-19 How did Donald Trump a man with zero direct political experience and no particular affiliation to either political party go in the span of a two year campaign from preposterous aspirant to President elect of the United States It will likely take years if not decades before a confident consensus develops but formulating an answer begins with chronicling the key events in the campaign in the country and sometimes in the wider world as they happened This book is an attempt to provide such a chronicle by no means the last word but perhaps a useful and entertaining first word toward answering the question What the heck **Congressional Record** United States. Congress,1995 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 High Crimes and Misdemeanors Ann Coulter,2002-09-01 The book that started it all Written with Coulter s trademark irreverent wit this bestseller is now available in paperback **The Special Prosecutor in**

**American Politics** Katy Jean Harriger,2000 The federal special prosecutor unprincipled abuser of power or staunch defender of the law As Katy Harriger shows the special prosecutor was a hotly debated and controversial subject throughout much of its existence This was especially true she argues during the lengthy expensive and highly politicized investigations of Lawrence Walsh and Kenneth Starr into allegations concerning Presidents Ronald Reagan and Bill Clinton Harriger offers

the most complete assessment available of the use of special prosecutors in the post Watergate era She analyzes the independent counsel s role within the framework of the separation of powers explaining how each has interacted with other key players in the political and legal system and showing how those relationships have affected the prosecutor s ability to conduct investigations Harriger s previous edition focused on the legacy of Watergate but was published before Walsh s Iran Contra investigations were concluded Her new study adds substantially more information on Iran Contra provides a clearheaded appraisal of Starr s sensationalized Whitewater Lewinsky investigations examines a number of senior level cabinet probes and critiques and clarifies the role of Attorney General Janet Reno in these latter matters A completely new chapter compares Iran Contra and Whitewater Lewinsky to explore the limits of the law in the special prosecutor s efforts In this new edition Harriger includes 20 new interviews with Washington insiders including one with Kenneth Starr and covers the debates that led to both the reauthorization of the independent counsel statute in 1994 and its demise in 1999 She then examines the pros and cons of the office and offers constructive suggestions for improvement should it be revived For students scholars and concerned citizens her book takes us well beyond frenzied media hype and partisan politics to provide a timely reminder about the crucial role of separation of powers in our system of governance **AIM Report** Accuracy in Media, inc,2003

**Miscarriage of Justice** Mark Shaw,2001-09 When the name of admitted spy Jonathan Pollard is mentioned fiery debate breaks out between those who believe he should have been shot and those who contend that he was railroaded into prison for life by government officials who violated his constitutional rights Now for the first time the case involving the most controversial spy in American history is examined by presenting every aspect of the Pollard story It shows the moral dilemma faced by Jonathan Pollard a Zionist and naval analyst who admitted passing top secret security documents to the Isr li government in the mid 1980s In Miscarriage of Justice attorney and author Mark Shaw delivers an in depth portrait of the fascinating case that includes Fresh background material about the committed Zionist from his father clearly indicating Pollard s motive for spying for Isr l Details of the love story that bound Anne and Jonathan Pollardt ogether in their efforts to aid Isr l Factual data regarding Isr l high government official s active participation in the spy scheme Motives as to why leaders of the Jewish community abandoned Pollard in his time of need Pollard supporter s accusations that Defense Secretary Caspar Weinberger lied about hisrole in the Pollard case Scathing rebuttal by Pollard prosecutor Joseph di Genova regarding allegations that the spy s constitutional rights were violated Behind the scenes facts concerning why Pollard was sentenced to life in prison by Federal Court Judge Aubrey Robinson Pollard supporters allegations that President Bill Clinton reneged on promises to free the spy Comparisons of Pollard s sentence with other noted spies and withcases involving the infamous Alfred Dreyfus and atomic bomb spy Theodore Hall Assessment of Pollard s chances to be freed from prison From start to finish Miscarriage of Justice presents a balanced study objective view of a confusing case one rife with lies half truths innuendo speculation and deception All regarding them ysterious Jonathan Pollard dubbed by New York Times Magazine The
