## **Case Studies In Generalist Practice:**

*Case Studies in Generalist Practice* Robert F. Rivas, Grafton H. Hull (Jr.), 2004 This book is a compilation of real cases submitted by social workers and faculty teaching social work courses The cases help students understand how clients issues and agencies interact as well as see how that understanding connects with the actual doing of generalist social work practice The cases reflect a broad range of courses in the social work curriculum and the most current CSWE standards

**Case Studies in Generalist Practice** Robert F. Rivas, 1996 This new book is a compilation of actual cases submitted by social workers and faculty teaching social work courses The authors Robert Rivas and Grafton Hull selected cases that would best help students acquire the range of skills they'll need to become effective helpers such as how to apply what they learn and how to determine what to do to offer the client maximum help This case study approach enables students to participate in learning experiences prior to field instruction courses and it also provides opportunities to discuss common experiences Published in workbook form each case includes helpful guidelines in the form of questions that can be used to help students in their analyses and learning

### **Instructor's Edition for Understanding Generalist Practice** Kirst-Ashman, 2001-07

Case Studies in Social Work Practice Craig W. LeCroy, 2014-01-14 A practical approach to understanding social work concepts in action that integrates theory and practice In this updated edition of the classic social work text students and instructors have access to real world demonstrations of how social work theories and concepts can be applied in practice The case studies in this book bridge the gap between the classroom and the field by allowing students to discover the when why and how of social work principles Brief but comprehensive topic overviews are brought to life by case studies that apply general theories to the work of social work Each of the book's nine sections cover an essential area of social work encompassing the micro mezzo and macro levels Highly readable explanations are followed by 3-5 case studies relating theory to the living practice of real social workers Topics include Generalist Practice Family Therapy Treatment of Adults and Diversity Approaching each topic from a variety of different theoretical bases this essential text allow students to learn by concrete example experiencing social work concepts as they are applied in the profession today

*Medical Generalism, Now!* Joanne Reeve, 2023-10-13 *Medical Generalism Now* is a unique and timely consideration of generalist medical practice With a focus on the knowledge work of clinical practice and by taking a whole healthcare system view the book responds to a recognized need to strengthen generalist practice within modern healthcare delivery in both primary and secondary care settings Through a series of creative provocations directed to consulting clinicians and their trainers educators service leaders and managers and policy makers readers are encouraged to challenge the orthodox view that generalism is an outdated jack of all trades sub set of clinical medicine delivering the simpler aspects of medicine with more complex issues requiring onward specialist referral Case studies are used throughout to illustrate the challenges to be faced accompanied by a description of the principles of generalist knowledge work needed to tackle the scenarios described and discussing the

implications for practice and service redesign Essential reading for clinicians managers and policy makers across all healthcare settings the book concludes with a call to action synthesizing the learning from each chapter to define and describe delivery of the key changes needed *Political Social Work Practice* Brendan Young,2024-01-03 Few social work students express an interest in politics but now more than ever those voices are necessary in the political arena Social programs and policies central to the client systems of social workers are determined in the political space Brendan Young has written this book to inspire students to bring the unique value system embraced by social workers to the political process Like all titles in the Social Work Modules series the chapters in *Political Social Work Practice* follow courses in the standard social work curriculum This allows the book to be used as supplementary reading to add a political component to any social work course as well as in a stand alone course on political social work *The Social Work and Sexual Trauma Casebook* Miriam Jaffe,Jerry Floersch,Jeffrey Longhofer,Megan Conti,2018-03-14 This volume offers a collection of ten case studies from clinical social workers who work in the field of sexual trauma with the objective of challenging and informing social work practice with survivors and perpetrators of sexual trauma These steps are meant to help the process of treatment by breaking down the experience of trauma to a set of steps and interventions aimed at resolving traumatic symptoms within a given time frame Our text seeks to challenge the tendency towards reductionism inherent in the dominant social paradigm by encouraging the development of a phenomenological and interdisciplinary approach to understanding sexual trauma In doing so the examples of interventions presented in each case study reflect practice methods that honor the complexity of the human experience of sexual trauma suffering and recovery *Macro Case Studies in Social Work* Robert W. McClelland,1998 **Contributions of Historically Black Colleges and Universities in the 21st Century** Bagasra, Anisah,Mc Letchie, Alison,Wesley, Jonathan,2022-06-24 Despite the declaration that we are living in a post racial America multiple recent events in which Black lives were prematurely ended have sparked a racial reckoning within the United States Historically Black Colleges and Universities HBCUs are institutions with a long history of addressing racial disparities and injustices whose relevance is being recognized in light of these recent events It is essential to give voice to those who represent the ongoing challenges aspirations and impact of HBCUs in the 21st century in upholding their collective mission to educate students of color who were historically excluded from institutions of higher education *Contributions of Historically Black Colleges and Universities in the 21st Century* focuses on the role of HBCUs in contemporary American society as diverse and inclusive environments that continue to positively impact historically excluded students The voices of faculty students and administration are included to highlight the innovations and contributions of HBCUs in the areas of scholarship teaching and service Covering topics such as BlaQ Lives Matter community activism and self advocacy this premier reference source is a valuable resource for sociologists higher education administration graduate programs faculty and administrators at HBCUs students and educators of higher education libraries government officials activists non profit organizations

**Advanced Social Work Practice** Joan Ellen Dworkin, 2005 Dr Joan Dworkin has been a Professor in the Division of Social Work California State University Sacramento since 1994 She teaches advanced social work practice and social work practice with HIV and AIDS in the graduate program Her primary specialty areas are mental health public health HIV and AIDS professional education and divorce mediation and she has experience in provision of clinical services in community mental health and in development of primary prevention programs Multilevel Social Work Practice A Case Study Manual features over 20 cases addressing diverse and ethnic clients and groups so that introductory practitioners can understand the close relationship between their clinical work which is client focused and working for social justice which most frequently is population focused Through the cases content and accompanying activities and resources for further research social workers will develop the ability to fully address the concerns and problems of the people they work with and will be able to act on them simultaneously

**Encyclopedia of Social Work**, 1965      Generalism in Clinical Practice and Education Sophie Park, Kay

Leedham-Green, 2024-07-29 Generalism is a key approach to healthcare organisation and delivery that enables person centred dynamic and cost effective patient care With its emphasis on adaptability generalism requires expansive nurturing and personalised approaches to clinical education in which a generalist attends to and explores patient priorities when problem setting and co creating management plans Generalism in Clinical Practice and Education outlines a generalist philosophy of practice which is brought to life through interleaved examples Written by a range of international clinicians patients and academics this book does not prescribe one right way to do generalism Rather it seeks to inspire readers future engagement with generalism in practice and learning through sharing underpinning concepts values and principles This big picture attention to generalism across public health social determinants of health and clinical care is at the heart of sustainable and efficient use of resources to prioritise those in need The book explores four key principles which in practice aim to achieve creative inclusive and agile approaches to clinical care The goal is to support generalism in clinical practice and education and to produce clinical practitioners and learners that enjoy embrace and enhance future clinical care

**Integrating Disability Content in Social Work Education** Stephen F. Gilson, 2002      *Substance Use in Social Work Education and Training* Hilda Loughran, Wulf Livingston, 2017-10-02 Substance use has become an increasingly common concern for all aspects of social work practice and especially when working with mental health and vulnerable families This requires all social workers to have sufficient education and training in alcohol and other drugs across a range of settings This volume presents evidence from a number of major studies which examine the current state of social work education in relation to substance use These contextual considerations are complemented by specific applied analyses which explore classroom methodological practice and theoretical considerations within both the UK and America *Substance Use in Social Work Education and Training* provides a strong evidence base for the effectiveness of appropriately targeted education and support given to social workers It further substantiates calls for a greater inclusion of more on substance use in social work education and curricula This book is based on a special issue of the journal *Social Work Education*      **An Introduction to Group Work Practice** Ronald W. Toseland, Robert F. Rivas, 1998 The third edition includes a sharper focus on generalist practice and on typologies which illustrate group work practice both treatment groups and task groups at the micro meso and macro level Additions include a new chapter on leadership and diversity and new material on confidentiality tele
