Broken Commandments

Henry B. Altmeyer

Broken Commandments:

Broken Tablets Lawrence Kushner, Arnold Jacob Wolf, Eugene B. Borowitz, 2001-11 Even people who claim not to be religious will generally maintain that they do observe the Ten Commandments Why is it that these ten statements thousands of years old continue to have such a special hold on us Here twelve outstanding spiritual leaders from across the spectrum of Jewish thought bring us to the life and soul of the Ten Commandments unusual power In voices that are personal and diverse they help us take a closer look at the ten utterances that not only touch every aspect of our lives but also present each of us with a profound challenge Contributors include Eugene B Borowitz Leonard Fein Nancy Fuchs Kreimer Laura Geller Lawrence A Hoffman Menachem Kellner Peter S Knobel Richard N Levy Zalman M Schachter Shalomi Levi Weiman Kelman

Broken Commandments Broken World a Path Back to God Pastor's Children, Katrina Crawley, 2025-12-31 Our world is not simply flawed it is fractured In this compelling and timely work The Pastor s Children reveal how abandoning God s commandments has ushered in moral confusion fractured families and spiritual decline With Scripture as their guide the authors expose the dangers of misplaced love false idols empty worship deceit and the relentless pull of a covetous culture Yet this book is far more than a diagnosis It offers a clear path back pairing biblical insight with practical steps of repentance renewal and restoration Thought provoking reflections help readers move from conviction to transformation A powerful call to return to God s order and mercy Broken Commandments Broken World is a roadmap for anyone longing to see healing where life and society has begun to break

Broken Commandments S. Dubroof, 2005-08 Razel Sima looked past her father as she replied in a voice that was not hers No Father I will not deliver the omitted Commandments to all mankind but forty generations hence in a new world Orben the messenger will bring additional enlightenment to the world and the Lord s work will be done Christianity Judaism and Islam accept the Ten Commandments as revealed truth etched into stone and handed down to Moses on Mount Sinai But were the Commandments as we know them the only words from God on the subject of human conduct The brilliant biblical saga Broken Commandments postulates the existence of ten additional Commandments in addition to the ones that millions of believers live by today The missing Commandments were supposedly carved on the reverse side of the original tablets given to Moses Moses smashed them in disgust when he came down from the mountain and saw the Israelites worshipping a golden calf Thousands of years later the one chosen by the Lord will enlighten the world and bring forth all of the Twenty Commandments He is prophesied to spread tolerance throughout a new nation and become the leader of the new faith of faiths Do the lost stones hold the key to the survival of the human race

enigmatically titled 111 takes a psychoanalytic look at Satan in the context of electronic media and criminal law Using incisive writing laced with poignant detail Professors Gary F Flanigan and Luther G Williams nudge readers toward an understanding of life s complexities that are too often dismissed as fate Uncompromising in the presentation of tangible evidence that world evil does not originate as a humanistic occurrence but is supernaturally orchestrated the book s tone is both educational and conversational Contemporary allusions and laymen s terms are offered to help readers grasp the Holy Bible not as old or new but as a Current Testament With its penetrating examination of conflicting scientific and religious theories that have no biblical basis for acceptance as Gospel 111 will inspire and challenge a deeper look into personal beliefs and faith
