

How My Brother Leon Brought Home a Wife

- MANUEL A. ARGULLA -

The story called "How My Brother Leon Brought Home a Wife" was written by Mr. Manuel A. Argulla, an Filipino author who lived for a while in the Commonwealth Literary Council in 1946.

Exposition

Maria, a beautiful young woman, arrives in the rural town of Nagrainon. She slips down from the cart with grace, and her husband Leon and his brother Baldo welcome her. The lush countryside with fields and hills in the background sets the scene for their journey.

Complication

The complication of the story is shown when they took the way rather than Camino Real. Maria expressed her fear that their father might not like her as he was told by their father to go by the way because they were trying to test Maria's attitude and the way she handles the situation.

Climax

When Baldo, Maria, and Leon finally reached their destination, their home, Leon warmly introduced Maria to his family. Unfortunately, they couldn't meet his father due to his disability, in his feet.

Denouement

Baldo went up to see his father, who then asked about Maria and how she behaved on their way. However, little old Baldo knew that the bribe given by Leon's father were to confirm her worthiness as a wife, for his son Leon.

Resolution

Leon and Maria entered the scene. Baldo's father instructed him to wait for Leon. As he walked by, he caught a glimpse of Maria, whom he described as a beautiful and statuesque woman.
