Browning Studies Vernon Charles Harrington, 1915 **Browning Studies (Classic Reprint)** Vernon C.

Harrington, 2015-07-14 Excerpt from Browning Studies These Browning Studies were given in Oberlin College in the Department of English in the course on Nineteenth Century Poetry in the second semester of the year 1908 09 and were repeated in the corresponding semester of the year 1909 10 They constituted a course in the Summer Session of Middlebury College in 1913 and were given here again as a part of the study of Nineteenth Century Poetry in the second semester of the year 1913 14 It should be explained also that the greater part of the study of *The Ring and the Book* was written before those Oberlin days and that since those days Bishop Blougram's *Apology* *A Death in the Desert* and *Reverie* have been added to the list of poems taken up also that besides being used in connection with the college classes mentioned above several of the lectures have been given in various places The interest taken by the students in these studies has suggested their publication They are now printed as given in the classroom with some revision Abbreviations are written out more than in the author's notes but no attempt has been made to reproduce the extemporaneous elaboration and explanation given in the classroom Lectures which occupied several classroom hours are here sometimes combined into a single chapter These studies do not pretend to be exhaustive They are simply an introduction to some of Browning's best work They are intended now as they were in the classroom for those who have not read Browning at all before or very little About the Publisher *Forgotten Books* publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work *Forgotten Books* uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Browning's Later Poetry, 1871-1889 Clyde de L. Ryals, 2019-06-30 Maintaining that Browning's later work has been underestimated Professor Ryals gives close sophisticated readings of the individual poems covering each of the published volumes from *Balaustion's Adventure through Asolando* He emphasizes the overall structure of a poem and the manner in which themes and ideas are presented The later Browning is portrayed as a poet intent upon discovering forms that would give shape and meaning to thought and experience **The Cambridge bibliography of English literature. 3. 1800 - 1900** Frederick Wilse Bateson, 1940 *Book Bulletin* Chicago Public Library, 1912 **Browningiana in Baylor University** Baylor University. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
