Press Bruce Or Caitlyn Jenner: the True Story Alexander Jenner,2015-06-20 How did this become the 1 story in America and also gain so much attention from around the world Once considered The World s Greatest Athlete who embodied the physical strength most men only dream of to then tell the world he or she identifies as a woman For many younger people Jenner has been a TV reality star For the older generation Jenner was considered the greatest athlete in the world My initial question before writing this book was Why is this getting so much attention until we did some research This is not a pro con book of Jenner and will not engage in petty name calling comparing of redundant ideals We will call a spade a spade when necessary As a great man once said Let the truth come though the heavens may fall We just saw the case of Rachel Dolezal who is Caucasian but says she identifies with being black Identify is becoming an exponentially a topic for people who couldn t speak up years ago Some critics accuse the media of exploiting the situation for ratings After all they are paid by commercials and the commercials are there to sell products to consumers If you look at the ratings you can only imagine how much money people have made And then again the media isn t there to give news they have only one bias a financial one It s like a dance but who is leading Yes millions of people have been tuning in by the millions but then again if all the media channels only show Jenner what other choice do they have It s like a soap opera or sports for men you start watching and you want to see how it develops just like a movie And what a great movie this would make Former NAACP President Rachel Dolezal had said I cried because I resonated with some of the themes of isolation of being misunderstood to not know if you have a conversation with somebody will that relationship then end because they have seen you as one way she said *The Evolution of Bruce Jenner* The Washington Post,2015-03-03 Bruce Jenner captured America s attention by shattering world records in the Decathlon at the 1976 Summer Olympics Launched onto the world stage Jenner was young photogenic All American He humbly accepted the adulation of a nation and has stayed a household name ever since even more so in recent years as the patriarch of one of America s most famous and infamous families the Kardashian Jenner clan Almost forty years later the press has been covering Jenner s transition from male to female and should he come out publicly it would make him the highest profile person ever to come out as transgender Living life proudly and openly Jenner would serve as a role model for much of the transgender community But not for all His path has been controversial as some advocates see the celebrity glare given off by his connection to the Kardashian family as exploitative and his public persona making him a less than ideal spokesperson for transgendered people Bruce Jenner who seemingly always being watched by crowds now finds himself more scrutinized than ever *Bruce and Chrystie Jenner's Guide to Family Fitness* Caitlyn Jenner,1978 *Outsiders* Zachary Kramer,2019-01-28 *Outsiders* Why Difference is the Future of Civil Rights seeks to change the way we think about identity equality and discrimination Rather than concentrating on groups this ground breaking book argues that the next wave of civil rights law can change the course of history by focusing on the individual and arguing for the right to personality **Abnormal Psychology** William J.
