All The Brittle Pieces Erik K. Hale,2023-01-13 All The Brittle Pieces is a work of fiction inspired by real events It is the first in a noir thriller series that follows Caleb a troubled albeit well intentioned anti hero who has made it his life s work to save abused children who fall through the cracks of society As the FBI pursues an investigation into his crimes Caleb travels the nation to get these at risk children into safe hands and has taken on a personal mission to punish the abusers with extreme prejudice Once Caleb meets a young boy named Luke however his life begins to change This once solitary and sullen man with a dark past is forced to begin confronting his demons while struggling with the biggest questions of his life Can he forgo a life s mission steeped in violence and carve out a better future Are we all victims to the traumas of our past or can we heal persevere and overcome beyond the expectations of our abusers All The Brittle Pieces is the first book in The Forgotten

Children series The Story of Always Believe Jerry Toups,2019-05-09 It is a great blessing to wake up and want to go to work It is even a greater blessing when you have a job that utilizes your God given talents daily Jerry Toups Jr began his teaching career in the fall of 1990 when he inked his first classroom rule as Always Believe in Yourself Little did he know that this rule would turn into his life mission The Story of Always Believe uses the auto biography of Jerry Toups Jr as inspiration for the readers to find their it in life It shows that God forges and molds us during our tribulations and if you continually keep choosing right over wrong the results of your tribulations will be essential to guiding you to your purpose For teachers this book shows that the joy you receive when you become part of a child s happiest memory is truly worth more than any monetary paycheck It also demonstrates that blessings abound when you make your life about others but when you make your life about the kids in your community your impact will turn into a legacy Although never physically teaching a lesson about how to Always Believe in Yourself Jerry Toups Jr has personally witnessed how this phrase combined with a positive attitude and profound non verbal communication skills has changed lives for the better To enable someone to believe they can be successful just might be the single most important lesson a teacher can teach *Teachings From Pop* Don Eggspuehler,2014-05 What we ve got here is failure to communicate One of my favorite phrases from the 1967 movie Cool Hand Luke brought home to me the importance of learning life lessons through cross generational story telling Passing down the stories from one generation to the next is a rich tradition getting lost these days in a sea of tweets and texts One can t truly know where one is heading without knowing where one has come from so fasten your seat belts and learn more about struggles of the early settlers in Iowa kid adventures of the 1950s fighting in the Civil War neighborhood battles with BB guns chasing after horse thieves slinging snowballs at trucks Teachings from Pop is a collection of stories glimpses of time from the original settlers in Iowa to childhood in the fifties The historical characters and circumstances portrayed in this book are based on real people and events Combining the stories of several generations in the same location the reader is transported from log cabins and Civil War days to hare brained adventures in the 1950s Boomers will remember these experiences as some of the best times ever even though many were simply the stupid things kids dream up Hopefully this book will help people of today understand how life was back in the old days for the pioneers through the mind boggling changes that occurred during the next hundred plus years **The H.P. Lovecraft Institute** David Bischoff,2016-05-24 The old Martin house has sat empty for decades a Gothic mansion shrouded in ghost stories and local legend in the small town of Morristown Rhode Island Now a mysterious member of the family has returned from England and begun to clean up the old place Tony Dickens the son of the local pastor and in need of a job ignores the stories and answers Professor Abraham Martin s ad for a helper Tony cleans the house staying away from the macabre collection of wax figures all murderers and despots from throughout history in the great room and from the multi level cellar where the professor does his work With the acquisition of souls from those slain by the wax figures in place a portal from another world will bring about the end of
