Carnival A Novel:

Carnival Rawi Hage, 2012-08-08 Winner of the Quebec Writers Federation Hugh MacLennan Prize for Fiction and shortlisted for the Rogers Writers Trust Fiction Prize In the Carnival city there are two types of taxi drivers the spiders and the flies The spiders patiently sit in their cars and wait for the calls to come But the flies are wanderers they roam the streets looking for the raised hands of passengers among life s perpetual flux Fly is a wanderer and a knower Raised in the circus the son of a golden haired trapeze artist and a flying carpet pilot from the East he is destined to drift and observe From his taxi we see the world in all its carnivalesque beauty and ugliness We meet criminals prostitutes madmen magicians and clowns of many kinds We meet ordinary people going to extraordinary places and revolutionaries trying to live ordinary lives Hunger and injustice claw at the city and books provide the only true shelter And when the Carnival starts all limits dissolve and a gunshot goes off With all of the beauty truth rage and peripatetic storytelling that have made Cockroach and De Niro s Game international publishing sensations *Carnival* gives us Rawi Hage at his searing best Alternately laughing at absurdity and crying out at oppression by turns outrageous hilarious sorrowful and stirring *Carnival* is a tour de force that will make all of life s passengers squirm in their comfortable complacent backseats

Orphans of the Carnival Carol Birch, 2016-11-08 In this stunning work of historical fiction the Booker Prize nominated author of Jamrach s Menagerie reimagines the incredible true story of Julia Pastrana a woman branded a freak at birth Although she was pronounced by the most eminent physician of the day to be a true hybrid wherein the nature of woman presides over that of the brute Julia was fluent in English French and Spanish and an accomplished musician with an exquisite singing voice Alternately vilified and celebrated all she wanted was for people to see beyond her hairy visage and perhaps the chance for love When Julia meets a charming showman who catapults her onto the global stage she believes that she has found true happiness at last But the question of whether her lover truly cares for her or if his management is just a new form of exploitation lingers heavily A deeply moving novel in *Orphans of the Carnival* Carol Birch has crafted a haunting examination of how we define ourselves and ultimately of what it means to be human
