## **Carole Lombard:**

Carole Lombard ,2000 A compilation of print reproductions of newspaper articles from the Fort Wayne News Sentinel and the Fort Wayne Journal Gazette and dating from 1935 to 1983 chronicling the career life and 1942 plane crash death of the famous actress and native of Fort Wayne Indiana *Carole Lombard* Michelle Morgan,2016-10-05 An entertaining and lucid biography We Are Cult Carole Lombard was the very opposite of the typical 1930s starlet A no nonsense woman she worked hard took no prisoners and had a great passion for life As a result she became Hollywood s highest paid star From the outside Carole s life was one of great glamour and fun yet privately she endured much heartache As a child she was moved across the country away from her beloved father She then began a film career only to have it cut short after a devastating car accident After she picked herself back up she was rocked by the accidental shooting of her lover a failed marriage to actor William Powell and the sorrow of infertility during her marriage to Hollywood s King Clark Gable Carole marched forward determined to be positive only for her life to be cut short in a plane crash so catastrophic that pieces of the aircraft are still buried in the mountain today In Carole Lombard bestselling author Michelle Morgan tells the story of a woman whose remarkable life and controversial death continues to enthrall *Carole Lombard* Robert Matzen,1988-08-16 Carole Lombard was among the most commercially successfully and admired film personalities in Hollywood in the 1930s Carole Lombard includes a biography which brings to life this vivacious unconventional woman who showed fortitude in the face of personal hardships such as the automobile accident that scarred her face at age eighteen The bibliography that follows is comprehensive in scope the most ambitious to date it contains citations for anonymous and attributed magazine articles books and films Full text reprints of a revealing interview for Motion Picture magazine and her only published article provide interesting views of Lombard The never before published Civil Aeronautics Board investigative report of the airplane crash in which she died fifteen previously unpublished photographs and detailed examination of many articles biographies and film history books that deal with some aspect of her life and or career make this bio bibliography an excellent resource

American Legends Charles River Charles River Editors,2018-03-02 Includes pictures Includes Lombard s quotes about her life and career Includes a bibliography for further reading Carole Lombard s tragic death means that something of gaiety and beauty have been taken from the world at a time they are needed most Errol Flynn A lot of ink has been spilled covering the lives of history s most influential figures but how much of the forest is lost for the trees In Charles River Editors American Legends series readers can get caught up to speed on the lives of America s most important men and women in the time it takes to finish a commute while learning interesting facts long forgotten or never known On January 16 1942 just a few weeks after Pearl Harbor brought the United States into World War II the nation suffered what were considered the first civilian deaths of the war when a plane crashed into the side of a mountain southwest of Las Vegas Aboard the plane were 15 servicemen but the plane was also carrying one of Hollywood s biggest stars actress Carole Lombard Although Lombard s

death and her marriage to *Gone With the Wind* star Clark Gable have overshadowed her career her untimely death in 1942 cut short the life of one of Hollywood's most prominent stars at the time In fact Lombard's platinum look and her unique mannerisms had helped her become the biggest star of the screwball genre by the end of the 1930s and her movies were so successful that she was the highest paid actress in Hollywood by the start of the 1940s As English critic Graham Greene said of her Platinum blonde with a heart shaped face delicate impish features and a figure made to be swathed in silver lam Lombard wriggled expressively through such classics of hysteria as *Twentieth Century* and *My Man Godfrey* Indeed despite dying at the age of 33 the American Film Institute recognized her as one of the biggest film icons of the 20th century Lombard has been memorialized in many fitting ways as an actress but one of her biggest contributions to Hollywood was the blond archetype that the film industry used successfully for decades in screwball comedies paving the way for the success of women like Marilyn Monroe Perhaps the most remarkable aspect of that fact is that it was actually based on Carole's gushing personality As famous director Howard Hawks noted of her She acted like a schoolgirl and she was stiff she would try and imagine a character and then act according to her imaginings instead of being herself When Lombard started simply portraying herself Hawks told actor John Barrymore You've just seen a girl that's probably going to be big a star and if we can just keep her from acting we'll have a hell of a picture *American Legends: The Life of Carole Lombard* examines the life and career of one of the Golden Era of Hollywood's biggest stars Along with pictures of important people places and events you will learn about Carole Lombard like never before in no time at all

*Becoming Carole Lombard* Olympia Kiriakou, 2020-02-20 *Becoming Carole Lombard: Stardom, Comedy, and Legacy* is a historical critique of the development and reception of Carole Lombard's stardom from the classical Hollywood period to present day Based on original archival research Olympia Kiriakou combines theoretically informed textual analyses of Lombard's performances and star image across different media biographies publicity materials photography and film with a critical engagement of the cultural economic social and industrial conditions

that shaped her stardom. Sitting at the intersection of feminist film theory, star studies, and comedy theory, this work presents Lombard as a case study to challenge the screwball canon and existent academic discourse about female physical comedy and the alleged delicate female body. In doing so, it formulates a new historical approach to understanding gender, femininity, and identity in Hollywood comedies of the 1930s. Moreover, this is the first research of its kind to offer a comprehensive understanding of Lombard's stardom beyond her associations with the screwball comedy genre.

*The Films of Carole Lombard* Frederick W. Ott, 1972. A retrospective of the film career of Carole Lombard, one of the greatest female stars of classic Hollywood cinema, and noted for her energetic, often off-beat roles in the screwball comedies of the 1930s. This lavishly illustrated study features a compact biography followed by a complete filmography of her films. Each film is addressed in detail and presented in date order. Each film listing includes the studio and year produced, cast list, plot synopsis, and excerpts from contemporaneous reviews.

*Carole Lombard, the Hoosier Tornado* Wes D. Gehring, 2003. For Millions of Movie Fans. During the 1930s, an actress from Fort Wayne, Indiana, personified the madcap adventures of their favorite form of screen comedy, screwball. Nicknamed "The Hoosier Tornado" for her energetic personality, Carole Lombard did as much as anyone to define the genre, delighting audiences with her zany antics in such films as *Twentieth Century*, *My Man Godfrey*, *Nothing Sacred*, and *To Be or Not to Be*. She also captured America's attention through her romance with, and eventual marriage to, screen idol Clark Gable. In this inaugural volume in the Indiana Historical Society Press's Indiana Biography Series, Wes D. Gehring, a noted authority on film comedy, examines Lombard's legacy, focusing on both the public and private figure from her early days as merely beautiful window dressing in Mack Sennett silent films to her development as the leading motion picture comedienne of her time to her tragic death in a January 1942 plane crash following a successful war bond rally in Indianapolis. He also explores the rapport this sometimes "Profane Angel" Lombard swore like a sailor enjoyed with not only directors but also the blue-collar workers who toiled on movie sets. The biography also features a foreword written by Scott Robert Olson, dean of the college of communications, information, and media, and professor of communication studies at Ball State University. In her comedic roles, Gehring states in the book, Lombard offered the life lesson that the irrational mind, crazy Carole, stood a much better chance of surviving in the equally irrational modern world. Lombard's film persona continues to survive in the public's collective consciousness. Her screwball heroine is as significant for modern audiences as yesteryear's more traditional literary figures. Gehring writes, "Nationally respected for its publication program, the Indiana Historical Society Press has always excelled, particularly in one area: telling the life and times of those who have had an impact on the Hoosier State. The Press continues this tradition with its new Indiana Biography Series, which pairs writers with Indiana subjects of note. Future volumes in the series will highlight such personalities as Jonathan Jennings, Gus Grissom, Thomas Marshall, James Dean, Meredith Nicholson, Susan Wallace, David L. Chambers, and Cleo Blackburn." Book jacket
