Case Against Hillary Clinton:

The Case Against Hillary Clinton Peggy Noonan, 2010-12-07 As the long scandal ridden trial of the Clinton years comes to an end and as the first lady mounts her own campaign for independent political office it is time for a summation What is the legacy of Clintonism What is there in Hillary Clinton s background talents or record of achievement that qualifies her to represent New York in the U S Senate And most important what will happen if Hillary should win this fall Where will her ambition lead her next Peggy Noonan one of our most astute political observers and a speechwriter for the Reagan White House argues in this passionate and compelling book that everyone in the United States not just New Yorkers must look closely at Hillary and the implications of her Senate bid The Case Against Hillary Clinton offers an eye opening assessment of the scandals and failures of the Clinton years from Whitewater to health care to the Filegate and Travelgate affairs casting a revealing light on the first lady s motives and behavior It poses searching questions about the difference between the citizens of New York and the Clintons of Arkansas between public service and lip service between the whole truth and the shameless parade of evasion and spin the first couple has marshaled throughout their White House years And finally in these pages Noonan calls on us to consider the climate of deception and disgrace the Clintons have left in their wake weakening our nation s moral standing and damaging our political process in ways that will take years to heal Never before has the character of a first lady been so integral to the fate of a presidential administration and no writer before Peggy Noonan has had the courage to offer so uncompromising an estimation of Hillary Clinton as the one contained in this book The Case Against Hillary Clinton takes the measure of the woman the candidate the striving politician and offers a convincing argument that her calculated bid for power will be the first truly important election of the new millennium I thought seven years ago that the Clintons might turn out to be inspiring They had guts came from nowhere were bright and hard driving he was educated credentialed a political moderate but not a boring one she appeared to be something new and interesting a modern woman who operated with confidence in all the circles of the world Hillary could have been a strong and encouraging presence maybe continuing to work in the world as a lawyer as Cherie Blair has in Great Britain a judge working mother and first lady who is everywhere a figure of respect What a presidency this would have been What a legacy they would have left What did the Clintons do with their two administrations They left behind a country more damaged more removed from its old rough idealism a country whose children live in a coarser and more dangerous place a country whose political life has been distorted and lowered And for this reason for all of these reasons Clintonism should not be allowed to continue And if it is not to continue the next great battle may prove to be the decisive one and that is the battle of New York From The Case Against Hillary Clinton The Clintons' War on Women Roger Stone, Robert Morrow, 2015-10-13 This book on Hillary really tough President Donald Trump Hillary Clinton is running for president as an advocate of women and girls but there is another shocking side to her story that has been carefully covered up until now This stunning expos reveals for

the first time how Bill and Hillary Clinton systematically abused women and others sexually physically and psychologically in their scramble for power and wealth In this groundbreaking book New York Times bestselling author Roger Stone and researcher and alternative historian Robert Morrow map the arc of Bill and Hillary s crimes and cover ups They reveal details about their actions in Arkansas during Bill Clinton s time in the White House about who really ordered the deadly attack on the Branch Davidian compound in Waco during Hillary s tenure as secretary of state about their time at the Clinton Foundation and during Hillary s current campaign for president This is the first book to shed light on the couple s deeply personal violations of the people they crushed in their obsessive quest for power Along the way Stone and Morrow reveal the family s darkest secrets including a Clinton family member s drug rehab treatment that was never reported by the press Hillary Clinton s unusually close relationship with a top female aide and a stunning revelation of such impact that it could strip Bill Clinton of his current popularity and derail Hillary s push to be the second Clinton in the White House Anyone who cares about the future of the United States will want to read this tell all exposing the appalling unvarnished and ugly truth about the Clintons
