Crew,2005-12-01 Since the years before the Revolutionary War American composers have expressed their political passions and viewpoints in song Music inspired by political themes and politicians can reveal a great deal about significant people and events that have shaped our national political atmosphere

American Political Music provides a state by state inventory of thousands of songs about American political personalities from 1756 through 2004 The book documents music for all political offices except president Within each state and the District of Columbia the names of elected politicians candidates for public office and other high profile individuals appear in alphabetical order with a detailed listing of published songs that relate to them Also included under each state where applicable is a miscellaneous section containing general political topics about that state everything from temperance Vote Our California Dry to the women s vote Rally Song for the Ohio Suffragist to the introduction of Boston s first public water system Cochituate Grand Quick Step Under each person or topic are listed related songs with title tune composer and lyricist publisher copyright year and information on where a particular song or its lyrics may be found i e broadsides sheet music songbooks songs published in newspapers wax cylinders piano rolls vinyl records CDs internet or mp3 files Also included is an appendix of parodied songs demonstrating among other things the durability of Battle Hymn of the Republic and Yankee Doodle as fertile and favored ground for the parodist The book also includes a list of publishers by city and indexes of song titles authors and composers politicians and subjects and offices

Don't Stop Thinking About the Music Benjamin S. Schoening, Eric T. Kasper, 2011-12-16 In this insightful erudite history of presidential campaign music musicologist Benjamin Schoening and political scientist Eric Kasper explain how politicians use music in American presidential campaigns to convey a range of political messages From Follow Washington to I Like Ike to I Got a Crush on Obama they describe the ways that song use by and for presidential candidates has evolved including the addition of lyrics to familiar songs the current trend of using existing popular music to connect with voters and the rapid change of music s relationship to presidential campaigns due to Internet sites like YouTube JibJab and Facebook Readers are ultimately treated to an entertaining account of American political development through popular music and the complex two way relationship between music and presidential campaigns
