Imagine a business where you do not have to take any inventory and you can sell products for a profit. That is only possible with dropshipping. This book is a step-by-step guide A to Z on how to create a profitable Shopify dropshipping store from scratch in 2019 and 2020. In this book, you will learn everything you need to know to create a successful store. This book will give you every single possible step that you need to know and all the information that you need as a beginner to start a successful online business with Shopify and build a worldwide store and brand. Shopify dropshipping is a business model that has opened up so many doors on life and has established a new form of income stream for me while working a nine-to-five job. A lot of people are riding the wave at the moment that is dropshipping, but at the same time a lot of people don't even know what dropshipping is and how they're able to make hundreds if not thousands. The truth is there's a lot of books and courses out there and some of them are really great courses. But the thing is that they're all old; they're all from 2017-2018. I've been in e-commerce for a few years now, and trust me, since I started things have changed a lot. Things change every single day, every single month, and that's why I'm happy to be presenting this book to you today because it's fully up-to-date and it has the best strategy to succeed the fastest possible way so you can go quit your 9-to-5 job forever and replace it with a profitable online business with Shopify dropshipping.

What can you learn with this *Dropshipping E-Commerce Handbook*? The topics featured in this book include: Introduction to dropshipping; how it works; as well as the best winning strategy to follow; branded dropshipping; Common questions with dropshipping and Shopify answered; as well as intro

things you need to know Product Research how to find the most profitable products and the best strategies to follow List of the best most profitable dropshipping niches Finding high quality and reliable suppliers as well as FREE supplier template How to create your own online store using Shopify picking and installing your theme initial design and setup settings etc The absolute best apps to use for your store Email Marketing and how to set it up with abandon cart email sequences How to run profitable Facebook Ads Instagram Ads Google PPC to your store Influencer marketing and choosing the best influencers for success Getting the right Suppliers is very vital to the success of your dropshipping business it can make or break your business that's why I'm giving you my secret The branded dropshipping supplier template Tips for long term success And so much more If you want to be the next Ecom millionaire get this life transforming book today Click Buy Now With 1 Click or Buy Now to get started [Start Dropshipping Today](#) GABRIEL.
