

A woman with long dark hair is sitting at a wooden desk, looking at a laptop. The laptop screen displays a website with a purple header. To the right of the laptop is a white mouse and a stack of light blue books. A potted plant with green leaves is on the desk. In the background, there is a white bookshelf with books. A blue banner with white text is overlaid on the image.

Whether it is for a school project, a business, or helping friends and family, this book can help you to get started. By the end of this book, you will be able to create a website that not only looks good but also works well when viewed on both computers and mobile devices. You do not need any prior knowledge in programming to be able to follow the lessons in this book. It is written with the assumption that this is your first foray into web development. However, it does require that you know how to use a computer and how to use a text editor for basic editing such as copying and pasting text.

**What You Can Expect from This Book** Aimed at absolute beginners, you can expect the lessons to be delivered in a step-by-step fashion with a lot of examples and illustrations. The book will avoid technical terms whenever possible to keep things simple and easy to understand. The lessons will cover HTML, CSS, and Bootstrap 4. All of the programming code used in the examples will be provided to you. To get the code, all you need to do is a simple copy and paste. If the examples use images, the image files will be provided as well. Every chapter is geared towards creating the building blocks that you will need to build your websites, such as navigation, menu, buttons, forms, and more. After all the lessons, you will be able to put together enough building blocks to create a decent website.

*WordPress Websites Step-by-step* Caimin Jones, 2014 WordPress is the single most popular way to create a website or blog. It's used by Fortune 500 companies, small businesses, authors, photographers, bloggers, and non-profits to build professional websites easily.
