Confessions Of An Ex Fan Magazine Writer:

Confessions of an Ex-fan Magazine Writer Jane Wilkie,1981 **Movie Crazy** S. Barbas,2016-04-30 While the impact that legendary actors and actresses have had on the development of the Hollywood film industry is well known few have recognised the power of movie fans on shaping the industry This books redresses that balance and is the first study of Hollywood s golden era to examine the period from the viewpoint of the fans Using fan club journals fan letters studio production records and other previously unpublished archival sources Samantha Barbas reveals how the passion enthusiasm and ongoing activism of film fans in Hollywood s golden era transformed early cinema the modern mass media and American popular culture **Inside the Hollywood Fan Magazine** Anthony Slide,2010-02-26 The fan magazine has often been viewed simply as a publicity tool a fluffy exercise in self promotion by the film industry But as an arbiter of good and bad taste as a source of knowledge and as a gateway to the fabled land of Hollywood and its stars the American fan magazine represents a fascinating and indispensable chapter in journalism and popular culture Anthony Slide s *Inside the Hollywood Fan Magazine* provides the definitive history of this artifact It charts the development of the fan magazine from the golden years when Motion Picture Story Magazine and Photoplay first appeared in 1911 to its decline into provocative headlines and titillation in the 1960s and afterward Slide discusses how the fan magazines dealt with gossip and innuendo and how they handled nationwide issues such as Hollywood scandals of the 1920s World War II the blacklist and the death of President Kennedy Fan magazines thrived in the twentieth century and they presented the history of an industry in a unique sometimes accurate and always entertaining style This major cultural history includes a new interview with 1970s media personality Rona Barrett as well as original commentary from a dozen editors and writers Also included is a chapter on contributions to the fan magazines from well known writers such as Theodore Dreiser and e e cummings The book is enhanced by an appendix documenting some 268 American fan magazines and includes detailed publication histories *Marilyn* Lois Banner,2012-08-02 As one of the founders of the field of women s history Lois Banner reveals Marilyn Monroe in the way that only a top notch historian and biographer could Banner appreciates the complexities of Monroe s personal life in the context of her achievements as an actor singer dancer comedian model and courtesan Hughes The Private Diaries, Memos and Letters Richard Hack,2007 **WJR.** ,1981 *The Macmillan Film Bibliography* George Rehrauer,1982 **The Publishers Weekly** ,1926 The Film Anthologies Index Stephen E. Bowles,1994-10 The Film Anthologies Index is a bibliographical resource essential to any person or institution interested in the study of film No publication or database currently indexes the contents of these important anthologies There are over 600 anthologies by both multiple and single authors in English that have been published through 1991 These anthologies contain over 10 000 stand alone pieces that 1 reprint articles from their original source 2 select excerpts from book length publications and 3 include original essays appearing only in a specialized anthology Without The Film Anthologies Index the researcher would have no guide to the valuable contents between the

covers of these anthologies Much more than just a guide to the contents of anthologies the main section consists of 6 563 numbered entries that alphabetically list by author the contents of each piece found in the anthologies You could find for example all pieces written by a particular author which have appeared in the anthologies Additionally every author entry refers the user to all the anthologized sources which contain each specific piece For example Robert Warshaw's landmark essay on *Movie Chronicle The Westerner* can be found in 9 different anthologies or that selected essays by Sergei Einstein appear in over 50 separate anthologies Without *The Film Anthologies Index* there would be no way to systematically locate these buried treasures The final section of *The Film Anthologies Index* consists of an extensive listing of all film titles individual names specific genres countries periods studios etc as well as all key words and phrases that appear in the titles of the included pieces There are approximately 7000 topics covered in this section The user friendly layout of this reference source makes it both a comprehensive resource for everyone from the casual movie goer who wants a deeper understanding of the medium to the dedicated film scholar who is pursuing material on **San Diego Magazine**, 1979-11 *The Macmillan Film Bibliography: Index* George Rehauer, 1982 Movie Crazy Samantha Sumi Barbas, 2000 **Rock Hudson** Brenda Scott Royce, 1995-02-28 Rock Hudson rose to stardom as the virile hero of adventure films and he then gained a flurry of female fans by starring in melodramas like *Magnificent Obsession* He earned an Oscar nomination for his role in *Giant* starred in successful romantic comedies and had a productive television and stage career This book provides full information about his many performances and charts his life and career up to his death from AIDS Rock Hudson was a movie giant one of the biggest stars Hollywood ever produced He gained early fame as the romantic hero of adventure films and melodramas such as *Magnificent Obsession* 1954 He then tackled serious drama in *Giant* 1956 for which he earned an Academy Award nomination With the success of *Pillow Talk* 1959 he entered a new genre for which he would become best known the sex comedy He also had a successful stage and television career This book charts Rock Hudson's rise as a celebrity until his death from AIDS A biography opens the volume followed by chapters which chronicle his work in film television radio and the stage Each chapter contains descriptions of Hudson's individual performances with entries providing cast and credit information plot summaries excerpts from reviews and critical commentary The volume also includes a listing of Hudson's awards and an annotated bibliography of additional sources of information Jean Arthur John Oller, 2004-08-01 The luminous star of *Mr Smith Goes to Washington* *Shane* and other classic films was as the subtitle aptly puts it the actress nobody knew Jean Arthur 1900-91 kept her personal life private disdained the Hollywood publicity machine and was called difficult because of her perfectionism and remoteness from costars on the movie set John Oller a lawyer tracked down kinsfolk and friends never before interviewed to capture the elusive personality of a free spirit best embodied in her favorite role Peter Pan Arthur herself might have appreciated his warm respectful portrait An insightful painstakingly researched analysis of Arthur's life and career raises the curtain on the complex conflicted person behind the
