Confessions Of The Power Trust Getting And Spending:

Bulletin of Reprints ,1976 **Financing the Consumer** Evans Clark,1976 **The Confession of a Trust Magnate** George Allen Yuille,2013-12-15 THE CONFESSION OF A TRUST MAGNATE Picture the combined navies of the world anchored off our seaboard cities the combined armies of the world in possession of our inland cities envoys from each nation congregated at Washington partitioning our country the entire population being apportioned as slaves to do the bidding of the conquerors Would you be interested An equally appalling situation confronts the people of this country to day Read of it in the following pages In this magnificent country of ours there is a growing unrest Workers complain of hardships in terms of employment and housing accommodations poverty is attendant upon many and the cost of living has become oppressive to a large majority of the inhabitants Formerly affluent people have been compelled to forego their accustomed luxuries and those previously in comfortable circumstances are now forced to practice the most rigid economy to make ends meet While these conditions exist it is noticeable that a comparatively few are amassing fabulous fortunes and becoming absolute dictators of the big business affairs and the government of our country That was written in 1911 It could have as easily been written today 2012 Discover the 100 year old Big Business Conspiracy that keeps Most of the American Population that s YOU and ME folks in Economic Bondage to the Extremely Wealthy even if you happen to consider yourself to be Rich too as a Result of their Hoarding our National Resources and Manipulating our Monetary System AND WHAT YOU CAN DO even as a little guy TO STOP THIS OPPRESSION In 1911 George Allen Yuille broke ranks with his fellow big business moguls and wrote an expos about money No More than an expos It was a bearing of his soul and a sincere apology for usurping the power of his fellow citizens through his belief in his Divine Right to control the destiny of others The honesty and simplicity by which Mr Yuille pulls back the curtain to teach us about money and expose the hypocrisy practiced in the manipulation and usurpation of our money is truly unsurpassed It must have caused quite a stir The Confession of a Trust Magnate copyright 1911 is a masterful explanation of how money works by George Allen Yuille a powerful and wealthy man at the beginning of the 20th century Hopefully we the people of 2014 will heed Mr Yuille s warnings learn from our mistakes embrace his solutions and create a brighter tomorrow Read The Confession of a Trust Magnate Learn what the 1% don t want you to know about how money works **For Richer Or Poorer** Ayer Company Publishers, Incorporated,1976

Carbon Nation Bob Johnson,2017-07-15 Fossil fuels don t simply impact our ability to commute to and from work They

condition our sensory lives our erotic experiences and our aesthetics they structure what we assume to be normal and healthy and they prop up a distinctly modern bargain with nature that allows populations and economies to grow wildly beyond the older and more clearly understood limits of the organic economy Carbon Nation ranges across film and literary studies ecology politics journalism and art history to chart the course by which prehistoric carbon calories entered into the American economy and body It reveals how fossil fuels remade our ways of being knowing and sensing in the world while examining how different classes races sexes and conditions learned to embrace and navigate the material manifestations and cultural potential of these new prehistoric carbons The ecological roots of modern America are introduced in the first half of the book where the author shows how fossil fuels revolutionized the nation s material wealth and carrying capacity The book then demonstrates how this eager embrace of fossil fuels went hand in hand with both a deliberate and an unconscious suppression of that dependency across social spatial symbolic and psychic domains In the works of Eugene O Neill Upton Sinclair Sherwood Anderson and Stephen Crane the author reveals how Americans material dependencies on prehistoric carbon were systematically buried within modernist narratives of progress consumption and unbridled growth while in films like Charlie Chaplin s Modern Times and George Stevens s Giant he uncovers cinematic expressions of our own deep seated anxieties about living in a dizzying new world wrought by fossil fuels Any discussion of fossil fuels must go beyond energy policy and technology In Carbon Nation Bob Johnson reminds us that what we take to be natural in the modern world is in fact historical and that our history and culture arise from this relatively recent embrace of the coal mine the stoke hole and the oil derrick

Confessions of a Father George Gutshall,2019-02-25 Confessions of a Father subtitled Living Biblically Balanced in a Cultural World Sanity in Insanity This book and the stories I share with you have a meaning and purpose As the pages unfold as you see my life my heart my journey with Christ you will see what the Holy Spirit has taught me You will read how God has worked through my misunderstanding my false doctrines and false beliefs You will read how the Lord has worked through my family my home my relationships and circumstance to lead me into a deeper love of and for Him You will read how God s Word and His working in my life has led me into an intimate personal relationship with Christ and how God has used His Word to correct my false doctrines my false beliefs and my life To put it very simply you will read what I have learned I am a child of God The One true living God I am a servant of the Lord and disciple of Jesus Christ I am empowered by the Holy Spirit to seek out and bring God s meaning and purpose into my life and to bring glory to the One who created me I am called to strive to live according to God s Word while trying to live in a world powered by false doctrine and false beliefs He is my sanity in this world of insanity I want to state that this book is in no way an attempt to authenticate the Scripture That has already been done many times over by individuals who are far more knowledgeable than I am and who are true Bible

theologians In these pages I make reference to the Bible and books of the Bible but generally not direct citations I hope and I pray that will encourage you to read the Bible for yourself not just parts but the whole Bible I say this I hope this and I pray this because I know that if you do you will find what I have found If we take the cultural glasses off and try to see the world through Christ and live according to God s Word then we will know sanity in insanity we will know Christ Jesus In the beginning was the Word and the Word was with God and the Word was God He was with God in the beginning Through him all things were made without him nothing was made that has been made In him was life and that life was the light of all mankind The light shines in the darkness and the darkness has not overcome it John 1 1 5 **Books in Series** ,1985 Vols for 1980 issued in three parts Series Authors and Titles
