Confessions Of Zemo:

Delete the Evidence: A Crime Cover Up Romance KELAKKIYAR SIDDHAR , When the wrong truth is revealed some secrets must be buried forever In Delete the Evidence a single mistake on a rain slick night ignites an international chase where trust is rarer than the truth A brilliant but guarded investigator is drawn into an uneasy alliance with a rival whose motives are as sharp as they are unreadable Together they navigate shadowed city streets silent libraries and crumbling archives following a trail of stolen documents and vanishing witnesses Every lead they uncover unravels into something bigger a hidden network of power deception and dangerous liaisons stretching across continents Allies may be enemies in disguise and every moment wasted brings their pursuer closer The stakes are nothing less than control over a truth that could rewrite history From the fog draped bridges of London to the marble halls of Athens the pursuit is relentless Every clue demands a choice expose what they ve found or destroy it before it destroys them In a world where every word is weighed and every step is watched the question isn t who will win but who will survive when the final shred of paper is gone
