Conflict Practices In Management Settlement And Resolution:

Conflict: Practices in Management, Settlement and Resolution John Burton, Frank Dukes, 1990-09-25 In this book John Burton and Frank Dukes place their theory of conflict and its resolution in a wider context by exploring both theoretical and practical issues of resolving difference and by categorizing types of disputes and conflicts By broadening their focus beyond the nature of conflict the authors discuss such methods of resolution as Alternative Dispute Resolution second track diplomacy various forms of mediation community efforts to resolve social tension and other endeavours which seek cooperative relations at all societal levels Encyclopedia of Violence, Peace, and Conflict ,1999-08-16 The Encyclopedia of Violence Peace and Conflict a three volume set written by more than 200 eminent contributors from around the world takes advantage of increasing worldwide awareness in the public private commercial and academic sectors about manifestations of violence in all segments of society While the contributors do not use these volumes to make specific arguments they do describe and clarify the developments in thought that have led to current theories about and positions on violence and peace Our reviewers consistently note that while many in depth studies of war peace and aggression exist the attendant specialization keeps scholars from learning about related fields No publication competing with the Encyclopedia of Violence Peace and Conflict can satisfy their need for a vast introductory work to such a diverse and socially important field This major work includes more than 190 multidisciplinary articles with over 1 000 cross references and more than 2 000 bibliography entries for further reading which are arranged alphabetically for easy access More than 190 multidisciplinary articles with over 1 000 cross references Article outline and glossary of key terms begin each article Entries arranged alphabetically for easy access Three volume set with subject index of over 750 entries Articles written by more than 200 eminent contributors from around the world **Ocean Governance and Conflict in the East and South China Sea** Christian Schultheiss, 2025-10-01 This book tells the story of the negotiations between China Japan Taiwan the Philippines Vietnam and other Southeast Asian countries about the East and South China Sea disputes Tapping into formerly classified and newly available primary sources the book meticulously tracks these negotiations and their sudden U turns It is a story about the promises and perils of cooperation as much about pragmatic gradual and surprisingly resilient approaches to conflict resolution and ocean governance as it is about the expansion of states bargaining power through institutions The book hinges on the question of when and why disputing parties reach agreement on joint oil and gas development fisheries and codes of conduct and when and why negotiations end in impasse It is the first comprehensive and theoretically informed study of decades long dispute settlement efforts in a central region of the Indo Pacific where the expansion of China challenges the law of the sea and regional security Conflict Management, Security and Intervention in East Asia , **Developmental Related Conflict Management and Its Mechanisms** Ming Chee Ang, 2003 **Journal of Dispute Resolution** , 2003 *Conflict Management for Managers* Susan S.
