Conflict Management And Problem Solving Interpersonal To International Applications:

Conflict Management and Problem Solving Dennis J. D. Sandole, Ingrid Sandole-Staroste, 1987 Mange forskellige konfliktforskere og akademikere belyser problemer om internationale konflikter og opstiller forskellige modeller

Culture and international conflict resolution Tarja Vayrynen, 2018-07-30 This book re-examines conflict resolution and particularly problem solving conflict resolution from a new perspective The book is a critical study of John Burton's work and outlines an alternative framework for the study of international conflict It provides an insight into the problems of conflict and conflict resolution from a social constructionist angle Vayrynen argues that culture has a constitutive role in international conflict and conflict resolution Culture offers a grammar for acting in and interpreting the world and provides understandings of conflict and its resolution Theories which deny the importance of cultural failure to understand the ontological conditions of human being

John W. Burton: A Pioneer in Conflict Analysis and Resolution David J. Dunn, Hans Günter Brauch, Pamela Burton, 2024-04-26 This book charts John W. Burton's transition from practitioner in diplomacy to pioneer in the theory of peace research thinking on world society and conflict resolution Born in 1915 given his father's name it was assumed that he would follow his father and become a Christian missionary He did not he joined the Australian Public Service From a junior position he rose rapidly He was forthright and some found him irritating or worse He progressed to the highest levels of policy making Amidst some controversy he resigned abruptly in 1951 He then worked on his farm outside Canberra writing avidly He did not intend to become an academic but in 1963 he was offered a position in International Relations at University College in London and he accepted He was key to the foundation of the International Peace Research Association IPRA in 1964 and of the Conflict Research Society in the UK because he thought that words and ideas were not enough there needed to be instruments of change Looking back he was in fact a secular missionary His aim Simple to change the world This book is an exploration of how conflict should be reinterpreted The ideas of his work are a product not of any metaphysical approach but of experience Burton knew the field Cold War diplomacy civil strife reforming organisations resistance to change He had been there and he found much to criticise This book illustrates what he had to offer and explains why These readings reveal shifts in his ideas cohering incrementally integrated into a new framework This book presents his pioneering and relevant work Transcending disciplinary boundaries it will be of interest to students as well as professionals who address conflict at all levels of society from family to state

Conflict Resolution and Human Needs Kevin Avruch, Christopher Mitchell, 2013-05-02 This edited volume examines Basic Human Needs theory and interactive

problem solving looking at recent developments in thinking about both and how these might affect peacebuilding in contemporary conflicts of the twenty first century The era in the immediate aftermath of World War II was paradoxically a time of great optimism in parts of academia There was especially in the United States and much of Europe a widespread belief in the social sciences that systematic scholarly analysis would enable humanity to understand and do something about the most complex of social processes and thus about solving persistent human problems unemployment delinquency racism under development and even issues of conflict war and peace This book examines the evolution of the Basic Human Needs theory and is divided into two key parts Basic Human Needs in Theory and Basic Human Needs in Practice Exploring this theory through a wide range of different lenses including gender ethics and power the volume brings together some of the leading scholars in the field of peace and conflict studies and draws upon research both past and present to forecast where the movement is headed in the future This book will be of much interest to students of peace and conflict studies conflict resolution psychology security studies and IR

Contemporary Conflict Resolution Oliver Ramsbotham, Tom Woodhouse, Hugh Miall, 2005-12-08 Offering an assessment of the theory and practice of conflict resolution in post Cold War conflicts this book addresses a number of questions It explores the nature of contemporary conflict and the development of conflict resolution

Beyond Confrontation John A. Vasquez, Sanford M. Jaffe, James Turner Johnson, Linda Stamato, 2025-12-10 The post Cold War era has given rise to new issues and disputes Ethnic and nationalist violence disturb the peace and pose special problems for the strongest states and the United Nations Beyond Confrontation Learning Conflict Resolution in the Post Cold War Era gives an overview of possible conflict resolution techniques that can be used to help manage and prevent these kinds of disputes in today s new world order It outlines how to go beyond power politics and establish a politics of resolution During the Cold War traditional techniques of conflict resolution were neglected since they were thought to be irrelevant and generally inapplicable to the relations between states In the meantime a vast literature and practice on conflict resolution has grown up on the domestic level that has been largely ignored by international politics specialists The contributors to this volume cull this literature for the insights it can shed on the process of developing worldwide stability Moreover they go beyond traditional discipline boundaries and bring to bear the best current work in political science social psychology law management sociology and ethics on the important task of creating a more peaceful world order Contributors include James Turner Johnson John A Vasquez Robert A Baruch Bush Ronald J Fisher Deborah M Kolb Eileen E Babbitt Louis Kriesberg Dean G Pruitt John W Burton and Charles E Doran

Multicultural Conflict Management in Changing Societies L. J. Nieuwmeijer, Renée Du Toit, 1994

Conflict Management and Problem Solving Dennis J.D. Sandole, Ingrid Sandole-Staroste, 1987-10-01 Violent conflicts exist at many levels throughout the modern world and their influence extends in varying degrees to all aspects of everyday living Ways of responding to conflicts are especially important therefore to all professionals and policy makers who deal with human relations where conflict can be a major

feature This book is a unique presentation of the views of practitioners theorists and researchers from a variety of disciplines looking at conflict resolution It looks at constructive alternatives to the traditional ways of dealing with conflict providing solutions which fall outside the usual win lose parameters It is also a state of the art examination of the newly emerging field of conflict management which is currently gaining ground as a specific area of study in the United States throughout the world Contents Part I Conflict Management Generic Theory Research and Practice Part II Conflict Management Interpersonal to International Levels Part III Conflict Management The International Level Part IV Conflict Management Generic Theory Research and Practice

New Approaches to International Mediation Christopher Roger Mitchell, Keith Webb, K. Webb, 1988-11-17 This collection of twelve essays examines the use of mediation in intranational as well as international disputes so that parallels and similarities between various approaches could be emphasized and the whole approach viewed as a universal means of managing human conflict Initial chapters treat mediation as a concept beginning with an analysis by editors Mitchell and Webb entitled Mediation in International Relations An Evolving Tradition Other contributors examine the Falklands Malvinas conflict outline lessons from the South Tyrol on third party mediation in national minority disputes and analyze mediation attempts by the World Council of Churches in the Sudan Civil War South African initiatives and the use of hypergames as an aid to mediation are also discussed A concluding essay on Paradigms Movements and Shifts as indicators of social invention concludes the volume The editors introduction attempts to link the various topics and to place each contribution within the overall approach and philosophy of the book Innovations are characterized into three types innovation in the applications of mediatory processes innovation of technique with the development of new forms of mediation and innovation of practitioner with new organizations and individuals acting as intermediaries The interdisciplinary approach of this work and the efforts of its editors to provide a broad analytical framework for the study of mediation will make this volume useful for political science and history courses It will also serve as a useful guide to policymakers and diplomats

Conflict Resolution and Ethnicity Muḥammad Rabī', 1994-08-30 This book follows an approach that combines the viewpoints of both the realists and the idealists in dealing with the issues of conflict and peace The ideas models and peace processes it proposes take into consideration the imperatives of real life without abandoning the dreams of a more peaceful and just world The shared homeland model as developed here provides hope that ethnic conflict can be resolved in a manner that satisfies a group s need for recognition and cultural particularism as well as its need for economic development security and regional activity The book also defines and integrates steps of political conflict resolution into one theory that produces one of the first textbooks on the subject

Criminology as Peacemaking Harold E. Pepinsky, Richard Quinney, 1991 Criminology has traditionally been a military science a science of war The criminal element is the enemy Repression and restraint are the primary tools of criminal justice and criminologists study how to make those tools effective in the war on crime We are beginning to realize that this is a war against ourselves

and one that we are losing Our inability to make peace with crime and criminals is reflected in the paucity of our daily personal relations where we live by domination and discipline where forgiveness and mercy are seen as naive surrender to victimization The essays in this volume propose peacemaking as an effective alternative to the war on crime They range from studies of the intellectual roots of the peacemaking tradition to concrete examples of peacemaking in the community with special attention to feminist peacemaking traditions and women s experience Conflict Resolution Kevin Avruch, Peter W. Black, Joseph A. Scimecca, 1998-07-23 This unique collection of comparable case studies addresses the need to assess modes of conflict resolution in a larger sociocultural context with attention to varying approaches and cultural perspectives Editors Avruch Black and Scimecca along with other anthropologists and sociologists propose and test different propositions while looking toward a general theory of conflict and conflict resolution They offer a broad range of vantage points for considering conflict resolution in five different cultures Conflict resolution is seen as an emerging discipline

Strengthening Transitional Democracies Through Conflict Resolution Raymond Shonholtz, Ilana Shapiro, 1997 Since 1889 The American Academy of Political and Social Science has served as a forum for the free exchange of ideas among the well informed and intellectually curious In this era of specialization few scholarly periodicals cover the scope of societies and politics like The ANNALS Each volume is guest edited by outstanding scholars and experts in the topics studied and presents more than 200 pages of timely in depth research on a significant topic of concern <http://ann.sagepub.com>
