Conflict Resolution Quarterly Tricia S. Jones, 2004-01-01 Re-Centering Culture and Knowledge in Conflict Resolution Practice Mary Adams Trujillo, S. Y. Bowland, Linda James Myers, Phillip M. Richards, Beth Roy, 2022-09-01 The field of conflict resolution centers on relationships and ways of approaching methods for problem solving These relationships and approaches vary deeply depending on the individual society and background proving that cultural perspective is fundamental to any dispute intervention Re Centering Culture and Knowledge in Conflict Resolution Practice is a collection of original essays by scholars and practitioners of conflict resolution and others working in marginalized communities The volume offers a sampling of the cultural voices essential to effective practice yet not commonly heard in the discourse of conflict resolution The authors explore the role of culture race and oppression in resolving disputes Drawing on firsthand experience and sound research the authors address such issues as culturally sensitive mediation practices the diversity of perspectives in conflict resolution literature and power dynamics The first anthology of its kind this book combines personal narratives with formal scholarship By melding these varied approaches the authors seek to inspire activism for social justice in today s multicultural society **Transforming Conflict through Communication in Personal, Family, and Working Relationships** Peter M. Kellett, Thomas G. Matyók, 2016-11-15 A transformational approach to conflict argues that conflicts must be viewed as embedded within broader relational patterns and social and discursive structures Central to this book is the idea that the origins of transformation can be momentary situational and small scale or large scale and systemic The momentary involves shifts and meaningful changes in communication and related patterns that are created in communication between people Momentary transformative changes can radiate out into more systemic levels and systemic transformative changes can radiate inward to more personal levels This book engages this transformative framework by bringing together current scholarship that epitomizes and highlights the contribution of communication scholarship and communication centered approaches to conflict transformation in personal family and working relationships and organizational contexts The resulting volume presents an engaging mix of scholarly chapters think pieces and personal experiences from the field of practice and everyday life The book embraces a wide variety of theoretical and methodological approaches including narrative critical intersectional rhetorical and quantitative It makes a valuable additive contribution to the ongoing dialogue across and between disciplines on how to transform conflicts creatively sustainably and ethically **Expert Mediators** Jean Poitras, Susan S. Raines, 2013 In the last three decades mediation has been increasingly used in the United States and elsewhere Much has been written about the philosophical underpinnings and ethical dilemmas of mediation as well as its applications both within judicial systems and beyond the limits of these systems However some very basic challenges remain How can entrenched positions strong emotions and cultural differences be dealt with Mediation expertise is truly achieved when a mediator learns to overcome these challenges through experience and intuition To speed up the learning curve of

mediation expertise Jean Poitras and Susan Raines have benchmarked the mediation process in Expert Mediators Overcoming Mediation Challenges in Workplace Family and Community Conflicts Tapping the experience and wisdom of over 175 highly qualified mediators from across different realms of the mediation practice e g family mediation workplace mediation commercial mediation and across geographic regions e g U S Australia Europe Israel Canada this book integrates best practices in order to improve the performance of mediators For each proposed strategy this book discusses conditions under which each practice should be used as well as approaches to mitigate risks associated with using each strategy and technique

Dispute Resolution Journal, 2005-02 Conflict and Dispute Resolution Mieke Brandon, Leigh Robertson, 2007 onflict and Dispute Resolution is a practical guide to understanding dispute resolution theory in the context of organisational psychological and social work themes It covers the spectrum of interventions from the prevention of conflict ignoring it managing it through feedback difficult conversations self mediation conflict coaching to facilitative processes such as dispute facilitation mediation concilliation and managing groups and multi party disputes The book encourages diverse thinking about how conflict impacts not only on the individual but also on relationships in their broadest sense at home at work locally and globally The authors show how to apply the theoretical aspects of mediation to skill building for conflict management negotiation and mediation and include discussion of assessment methods Conflict Resolution and Mediation is comprehensive in its coverage of all the skills and processes needed by students coaches mentors and practitioners to help deal with dilemmas and become reflective practitioners It is complete with case studies clear examples and dialogue extracts to assist in becoming more aware and more effective at beign able to provide an appropriate process for parties to achieve their outcome

Conflict Transformation and Social Change in Uganda Susanne Buckley-Zistel, 2008-09-11 Drawing on the concept of hermeneutics the book argues that the successes and setbacks of conflict transformation in Teso can be understood through analyzing the impact of memory identity closure and power on social change and calls for a comprehensive effort of dealing with the past in war torn societies
