Manno, 2007 Here Confirmation Candidates are taught ABOUT the sacrament even as they walk through its ritual aspects The liturgical rite becomes the focal point for helping them understand what it means to be a confirmed member of the Catholic Church These eight sessions therefore explore the phrases used in the dialogue between the bishop and the candidate so that the liturgy itself is at the heart of the lessons Topics include The Role of the Bishop The Request to be Confirmed Making Decisions The Anointing with Oil The Holy Spirit What We Believe Pentecost and Being Sent Forth

Anglican Confirmation Phillip Tovey, 2016-04-15 Confirmation was an important part of the life of the eighteenth century church which consumed a significant part of the time of bishops of clergy in their preparation of candidates and of the candidates themselves in terms of a transition in their Christian life Yet it has been almost entirely overlooked by scholars This book aims to fill this void in our understanding and offers an important contribution and correction of our understanding of the life of the church during the long eighteenth century in both Britain and North America Tovey addresses two important historical debates the pessimist optimist debate on the character and condition of the Church of England in the eighteenth century and the debate on the re enchantment of the eighteenth century which challenges the secular nature of society in the age of the Enlightenment Drawing on new developments of the study of visitation returns and episcopal life and on primary research in historical records Anglican Confirmation goes behind the traditional Tractarian interpretations to uncover the understanding and confidence of the eighteenth century church in the rite of confirmation The book will be of interest to eighteenth century church historians theologians and liturgists alike      **Send Out Your Spirit** Michael Amodei, 2003 As you prepare to celebrate the Sacrament of Confirmation you may have questions about what you re getting yourself into which may lead to even deeper questions about your faith Congratulations Questioning is a sign of maturity his handbook **Send Out Your Spirit** is a resource written especially for you on your road to Confirmation It provides a survey of our Catholic beliefs and practices with special focus on God s Spirit in your life and the celebration of Confirmation But this handbook isn t just about information it s also about doing Experiences are necessary to help answer questions too **Send Out Your Spirit** is filled with prayer experiences community service suggestions and faith sharing activities throughout Hopefully the questions you ponder and the road you take won t end after Confirmation Your questions and your faith journey should continue and be an ongoing process of finding God in your life or being found by God This handbook is meant for this exciting rest of your life too The Spirit of God and the community of the Church is with you as you prepare to confirm your faith and beyond Book jacket
