**Conformed to His Likeness** E. LeRoy Lawson, 2004 *Systematic Theology/Historical Theology Bundle* Wayne A. Grudem, Gregg Allison, 2015-10-27 A collection that includes two of our most exemplary textbooks Systematic Theology and Historical Theology The ebook will provide an introduction to Biblical and Christian doctrine **Systematic Theology** Wayne A. Grudem, 2009-05-18 The Christian church has a long tradition of systematic theology that is of studying biblical teaching on centrally important doctrines such as the Word of God redemption and Jesus Christ Wayne Grudem's bestselling Systematic Theology has several distinctive features A strong emphasis on the scriptural basis for each doctrine Clear writing with technical terms kept to a minimum A contemporary approach treating subjects of special interest to the church today A friendly tone appealing to the emotions and the spirit as well as the intellect Frequent application to life Resources for worship within each chapter Bibliographies in each chapter that cross reference subjects to a wide range of other systematic theologies **Eight Questions** Paul Gotthardt, 2012-10 God doesn't always answer our questions At times our search for guidance is met with silence When this happens frustrated and confused believers wonder why God is ignoring them It's not that God is ignoring our prayers but sometimes we need to answer his questions before he answers ours God's questions challenge us to think differently about what it means to live in the will of God and what it means to truly follow the God who is asking them EIGHT QUESTIONS CAN SHOW YOU HOW TO make peace with unanswered questions live in God's will even when you don't understand what he's doing and understand how God's teaching style requires radical faith and brings unbelievable peace *Conforming to His Image* Rev. William Burk, 2020-12-17 Conforming To His Image is a fascinating and easy to understand verse by verse commentary of the book of Romans Written in conversational style Conforming to His Image will take the reader on a spiritual journey of biblical truth and personal discovery as experienced by the author The mediocrity of today's cultural Christianity is exposed and the extraordinary life God has provided each believer is classically presented This is one of those books which you will want to read cover to cover in one sitting *Sonship, Faith and Vision* Martin Reén, 2024-06-04 The motivation of the Father in everything that He is doing is love and He wants to fill us with His love When that happens our hearts will be transformed and we will start to look at reality through the eyes of God and dream His dreams This will cause us to be possibility thinkers that tap into the full creativity of heaven That is the only way that we can find new creative ways to reach the world with the gospel and to extend the Kingdom of God on this earth As sons and daughters who are growing into the full inheritance of our Father we will be part of spreading His love all over the world That is what this book is all about As we learn to abide in His love as a lifestyle we will be renewed and transformed This will create a longing within our hearts to break out of religious limitations and meaningless traditions that have held us back so that we instead can pursue the visions and purposes of the Father by becoming more conformed into the image of Jesus everyday **Our Elder Brother** Edward Payson Tenney, 1897 *The Girl's Own Annual*, 1900 *Bible Doctrine* Wayne A.

Grudem,2014-10-28 How do we know the Bible is God s Word What is sin and where did it come from How is Jesus fully God and fully man What are spiritual gifts When and how will Christ return If you ve asked questions like these then systematic theology is no abstract term It s an approach to finding answers every Christian needs to know Bible Doctrine takes a highly commended upper level textbook on systematic theology and makes it accessible to the average reader Abridged from Wayne Grudem s award winning Systematic Theology Bible Doctrine covers the same essentials of the faith giving you a firm grasp on seven key topics The Doctrine of the Word of God The Doctrine of God The Doctrine of Man The Doctrine of Christ The Doctrine of the Application of Redemption The Doctrine of the Church The Doctrine of the Future Like Systematic Theology this book is marked by its clarity its strong scriptural emphasis its thoroughness in scope and detail and its treatment of such timely topics as spiritual warfare and the gifts of the Spirit But you don t need to have had several years of Bible school to reap the full benefits of Bible Doctrine It s easy to understand and it s packed with solid biblical answers to your most important questions
