*Congress on Trial* James MacGregor Burns,1966      **Constitutional Dysfunction on Trial** Jasmine Farrier,2019-12-15  
In an original assessment of all three branches Jasmine Farrier reveals a new way in which the American federal system is broken Turning away from the partisan narratives of everyday politics Constitutional Dysfunction on Trial diagnoses the deeper and bipartisan nature of imbalance of power that undermines public deliberation and accountability especially on war powers By focusing on the lawsuits brought by Congressional members that challenge presidential unilateralism Farrier provides a new diagnostic lens on the permanent institutional problems that have undermined the separation of powers system in the last five decades across a diverse array of partisan and policy landscapes As each chapter demonstrates member lawsuits are an outlet for frustrated members of both parties who cannot get their House and Senate colleagues to confront overweening presidential action through normal legislative processes But these lawsuits often backfire leaving Congress as an institution even more disadvantaged Jasmine Farrier argues these suits are more symptoms of constitutional dysfunction than the cure Constitutional Dysfunction on Trial shows federal judges will not and cannot restore the separation of powers system alone Fifty years of congressional atrophy cannot be reversed in court      **Report of the Select Committee on Congressional Operations, U.S. House of Representatives, Pursuant to House Resolution 420 Ninety-Fifth Congress Identifying Court Proceedings and Actions of Vital Interest to the Congress** United States.
