2005/Spring Congressional Staff Directory ,2005 **The Diversity Paradox** Kristin Kanthak,George A.

Krause,2012-04-11 In legislatures group dynamics affect how the legislature operates who is valued enough to play a critical decision making role and what voices matter in determining policy outcomes An increase in a minority group s size within democratically elected legislatures actually leads to the devaluation of individual minority group members The authors assert that representative institutions such as legislatures face a diversity paradox when the size of a minority group increases beyond mere tokenism in representative institutions it tends to create an unintended backlash toward the minority group s members that emanates from both majority and fellow minority group members The inclusion of minority group voices in representative institutions is critical in a wide range of political decisions ranging from legislative gender quotas in the new Iraqi constitution to attempts in the U S to increase minority representation through redistricting *Hispanic Americans in Congress, 1822-2012* Matthew Andrew Wasniewski,Albin Kowalewski,Laura Turner O'Hara,Terrance Rucker,2013 A compilation of historical essays and short biographies about 91 Hispanic Americans who served in Congress from 1822 to 2012 Provided by publisher Congressional Staff Directory 2006/Fall Joel Treese,2006-09-08 *Federal Staff Directory 2009/Winter* Penny Perry,2008-12-04 Executive Office of the President Pinpoint senior officials and top aides working directly with the U S President and Vice President using the most well researched information available Executive branch department listings from Agriculture to Veterans Affairs Telephone and departmental fax numbers Hundreds of e mail and web sites Staff with biographies and presidential appointees are noted with symbols Cabinet Departments In one place find all the information you need to locate high ranking policy makers their deputies bureau chiefs and division heads Executive branch department listings from Agriculture to Veterans Affairs Authority and responsibility for departments and major agencies Staff names titles addresses and phone numbers Departmental fax e mail and web addresses Staff with biographies and presidential appointees are noted with symbols Includes regional offices with staff Independent and Quasi Official Agencies Connect with top level officials at agencies ranging from the American Red Cross to the Environmental Protection Agency Agency listings authority and responsibility Staff names titles addresses and phone numbers Agency fax e mail and web addresses Staff with biographies and presidential appointees are noted with symbols Biographies Find essential background information on those managing the daily workings of the Executive Branch with More than 2 600 biographies of federal executives and staff Indexes Multiple indexes make finding the information you need quick and easy Search by Office locator page preceding each department listing Extensive subject keyword index Individual name index with telephone and page reference Web access is available for single or multiple users For more information contact directorysales@cqpress.com
