**Mark Sedgwick, Francesco Piraino**

## **Conjuring Spirits Texts And Traditions Of Medieval Ritual Magic:**

Conjuring Spirits: Texts and Traditions of Medieval Ritual Magic, 1998 Conjuring Spirits contains both general surveys and analyses of magical texts and manuscripts by distinguished scholars in a variety of disciplines Included are chapters by Richard Kieckhefer and Robert Mathiesen on the Sworn Book of Honorius Michael Camille on the images in Ars Notoria manuscripts John B Friedman on the Secretum Philosophorum Claire Fanger and Nicholas Watson on the Liber Visionum and Elizabeth Wade on Lullian divination The work also includes Juris Lidaka s edition of the Liber de Angelis and an overview of late medieval English ritual magic manuscripts by Frank Klaassen Claire Fanger s introduction describes the context of late medieval magical texts both angelic and demonic and offers insight into the place of magic in the medieval world This book will be invaluable for scholars and other readers interested in ritual magic in the later Middle Ages Back cover

**Conjuring Spirits** Claire Fanger,1998 Conjuring Spirits contains general surveys analyses of magical texts manuscripts by scholars in a variety of disciplines The book will be invaluable for scholars others interested in the issues surrounding ritual magic texts in the Middle Ages

**Demons and Illness from Antiquity to the Early-Modern Period** Siam Bhayro,Catherine Rider,2017-02-06 In many near eastern traditions including Christianity Judaism and Islam demons have appeared as a cause of illness from ancient times until at least the early modern period This volume explores the relationship between demons illness and treatment comparatively Its twenty chapters range from Mesopotamia and ancient Egypt to early modern Europe and include studies of Judaism Christianity and Islam They discuss the relationship between demonic illnesses and wider ideas about illness medicine magic and the supernatural A further theme of the volume is the value of treating a wide variety of periods and places using a comparative approach and this is highlighted particularly in the volume s Introduction and Afterword The chapters originated in an international conference held in 2013 Ultimately Demons and Illness admirably performs the important task of reminding modern scholars of premodern health of the integral role played by these complex and shifting entities in the lives of people across the globe and through the centuries Rachel Podd Fordham University in Social History of Medicine 32 3 2019 Given the sheer breadth of its scope the volume is of course illustrative rather than comprehensive in its coverage yet there is a definite coherence to its content aided by the introduction and afterword which bookend the work and help begin to draw out the threads of commonality and difference As such it constitutes a significant and welcome resource for comparative explorations of historical cultural links between demons illness medicine and magic while offering a clear invitation to future work Matthew A Collins Journal for the Study of the Old Testament 43 5 2019

**The Occult World** Christopher Partridge,2014-12-05 This volume presents students and scholars with a comprehensive overview of the fascinating world of the occult It explores the history of Western occultism from ancient and medieval sources via the Renaissance right up to the nineteenth and twentieth centuries and contemporary occultism Written by a distinguished team of contributors the essays consider key figures beliefs and practices as well as

popular culture     *Magical Thinking* Stuart McWilliams,2011-12-08 Examining how scholarly writing has contended or conspired with discourses of enchantment from the Middle Ages to the present     **Esoteric Transfers and Constructions** Mark Sedgwick,Francesco Piraino,2021-02-27 Similarities between esoteric and mystical currents in different religious traditions have long interested scholars This book takes a new look at the relationship between such currents It advances a discussion that started with the search for religious essences archetypes and universals from William James to Eranos The universal categories that resulted from that search were later criticized as essentialist constructions and questioned by deconstructionists An alternative explanation was advanced by diffusionists that there were transfers between different traditions This book presents empirical case studies of such constructions and of transfers between Judaism Christianity and Islam in the premodern period and Judaism Christianity and Western esotericism in the modern period It shows that there were indeed transfers that can be clearly documented and that there were also indeed constructions often very imaginative It also shows that there were many cases that were neither transfers nor constructions but a mixture of the two     *Making Magic in Elizabethan England* Frank Klaassen,2019-07-26 This volume presents editions of two fascinating anonymous and untitled manuscripts of magic produced in Elizabethan England the Antiphoner Notebook and the Boxgrove Manual Frank Klaassen uses these texts which he argues are representative of the overwhelming majority of magical practitioners to explain how magic changed during this period and why these developments were crucial to the formation of modern magic The Boxgrove Manual is a work of learned ritual magic that synthesizes material from Henry Cornelius Agrippa the Fourth Book of Occult Philosophy Heptameron and various medieval conjuring works The Antiphoner Notebook concerns the common magic of treasure hunting healing and protection blending medieval conjuring and charm literature with materials drawn from Reginald Scot's famous anti magic work Discoverie of Witchcraft Klaassen painstakingly traces how the scribes who created these two manuscripts adapted and transformed their original sources In so doing he demonstrates the varied and subtle ways in which the Renaissance the Reformation new currents in science the birth of printing and vernacularization changed the practice of magic Illuminating the processes by which two sixteenth century English scribes went about making a book of magic this volume provides insight into the wider intellectual culture surrounding the practice of magic in the early modern period     **Magic, Ritual, and Witchcraft** ,2006     **Rituals, Images, and Words** Francis William Kent,Charles Zika,2005 The focus of this collection is on processes of cultural communication in late medieval early modern European society and the part which these resources play in shaping community and fashioning self and group identity     **Studies and Texts - Pontifical Institute of Mediaeval Studies** ,1955     *Invoking Angels* Claire Fanger,2012 A collection of essays examining medieval and early modern texts aimed at performing magic or receiving illumination via the mediation of angels Includes discussion of Jewish Christian and Muslim texts     *Dictionary of Gnosis and Western Esotericism* Wouter J. Hanegraaff,Antoine Faivre,R. van den Broek,Jean-Pierre Brach,2005 This is the first comprehensive

reference work to cover the entire domain of Gnosis and Western Esotericism from Late Antiquity to the present It contains critical discussions of all its major authors currents and manifestations from Gnosticism to the New Age Also available soon in unabridged one volume edition

*Magic in Medieval Romance* Michelle Sweeney,2000 This book examines the roles of magic in medieval romance Magic s crucial function in the romances may be established by studying the diverse works of Chr tien de Troyes the Lais of Marie de France the romances of Sir Tristrem Syr Launfal Ywain Gawain and Chaucer s The Franklin s Tale Romance authors used magical trials to explore a character moral status and position on issues important to the community such as when to maintain loyalty to a king or to a lover Romance authors were able to encourage the exploration of human motivation by using magic to create or expose a character morally ambiguous situation This technique enabled a broader discussion of social issues than would have been allowed in situations constrained by the boundaries of Christian dogmatism In order to understand the function of magic in medieval romance it is necessary to appreciate its function in the medieval world Magic is coupled to some of the most important works of the medieval age such as the theological texts of Augustine and Aquinas the histories of Geoffrey of Monmouth and Wace as well playing a significant role in medicine and the nascent studies of science Romance writers capitalised upon the associations between magic and these fields of study to create a more serious framework for their texts The romances could then operate beyond the level of simple entertainment and provide the interested audience with social commentary moral analysis and material for thought on a wide variety of issues

**The Unorthodox Imagination in Late Medieval Britain** Sophie Page,2010 The unorthodox imagination in late medieval Britain explores how medieval people responded to images stories beliefs and practices which were at odds with the normative world view from the heretical and subversive to the marvellous and exotic The Neale lecture by Jean Claude Schmitt examines why some unorthodox images were viewed as provocative and threatening and explores how successfully ecclesiastical authorities contained their impact The power of unorthodoxy to provoke wonder skepticism or disapproval provides an opportunity to view medieval culture from fresh perspectives The essays in this volume show that unorthodoxy was embedded in mainstream medieval culture from stories of fairies and witches which promoted orthodox moral values to the social conformity of practitioners of ritual magic This book provides a guide to understanding medieval unorthodoxy and the roles played by experience and imagination in medieval encounters with the unorthodox It will be essential reading for anyone interested in the exotic provocative and deviant in medieval culture

*Prayer, Magic, and the Stars in the Ancient and Late Antique World* Scott B. Noegel,Joel Thomas Walker,Brannon M. Wheeler,2003 Explores how people living in the ancient and late antique world sought to gain access to or in some cases to escape from the divine powers of heaven and earth

**Encyclopedia of Witchcraft** ,2006 Over 170 contributors from 28 nations provide vivid documented descriptions and analyses of witchcraft trials and locations folklore and beliefs magical practices and deities influential texts and the full range of players in this extraordinary drama witchcraft theorists and theologians historians and

authors judges clergy and rulers the accused and their persecutors Concentrating on Europe and the Americas in the early modern era the work also covers relevant topics from the ancient Near East including the Hebrew and Christian Bibles classical antiquity and the European Middle Ages **Early Science and Medicine** ,2009 The Dawn of Astrology: The medieval and modern worlds Nicholas Campion,2008 *The Demonology of William of Auvergne* Thomas B. de Mayo,2007 **Lodovico Lazzarelli (1447-1500)** Ludovico Lazzarelli,Wouter J. Hanegraaff,2005
