**Biographical Directory of the United States Congress, 1774-2005** United States. Congress,2005 Lists every member of the U S House and Senate since 1789 with brief biographical entries on each member      **Noble Undertaking** Brian Deming,2025-05-30 In 1778 as the War for Independence continues Congress faces diplomatic successes internal crises and challenges securing an honorable peace In 1778 the prospects for the new United States seem promising even as the War for Independence continues The diplomatic team that the Continental Congress dispatched to France has secured an

alliance The British now facing two enemies give ground Having recently chased the Congress out of Philadelphia the British abandon the city allowing Congress to return But British troops still occupy New York City and other parts of the new nation The challenges of driving them out and securing an honorable peace remain Meanwhile old and new crises complicate the work of Congress and threaten to fracture the union Congress's novice diplomats in Europe plead for arms money and more from France while scouring Europe for other allies while leaders in Vermont defying claims to the would be state from New York test Congress's patience The breathtaking betrayal of Benedict Arnold tests delegates faith in their own military men The Continental currency which served well in financing the war early on collapses The Articles of Confederation the nation's first constitution proves unsuitable from the moment it is ratified Delegates and the states they represent dispute about how lands to the west will be settled and governed Congress for the third time must flee Philadelphia but this time not because of the British This time they slink out of town in fear of their own troops who are angry and bitter about lack of promised pay Congress sets up shop in a college building in Princeton New Jersey and then moves on to Annapolis where in the Maryland state capital delegates ratify the longed for peace treaty with Great Britain

**"And So the Tomb Remained"** Nick Bellantoni,2020-12-28 Stone and brick tombs were repositories for the physical remains of many of Connecticut's wealthiest and influential families The desire was to be interred within burial vaults rather than have their wooden coffins laid into the earth in direct contact with crushing soil burden led many prominent families to construct large above ground and semi subterranean tombs usually burrowed into the sides of hills as places of interment for their dead And So The Tomb Remains tells the stories of the Connecticut State Archaeologist's investigations into five 18th 19th century family tombs the sepulchers of Squire Elisha Pitkin Center Cemetery East Hartford Gershom Bulkeley Ancient Burying Ground Colchester Samuel and Martha Huntington Norwichtown Cemetery Norwich Henry Chauncey Indian Hill Cemetery Middletown and Edwin D Morgan Cedar Hill Cemetery Hartford In all of these cases the state archaeologist assisted in identifying and restoring human skeletal remains to their original burial placements when vandalized through occult rituals or contributed to the identification of unrecorded burials during restoration projects Each investigative delves into family histories and genealogies as well as archaeological and forensic sciences that helped identify the entombed and is told in a personal story telling approach Written in essay form each investigation highlights differing aspects of research in mortuary architecture and cemetery landscaping public health restoration efforts crime scene investigations and occult activities These five case studies began either as history mysteries or as crime scene investigations Since historic tombs were occupied by social and economic elites forensic studies provide an
