Morgan, 2013-02-27 Humans are lovers and yet a good deal of pedagogical theory Christian or otherwise assumes an anthropology at odds with human nature fixed in a model of humans as thinking things Turning to Augustine or at least Augustine in conversation with Aquinas Martin Heidegger the overlooked Jesuit thinker Bernard Lonergan and the important contemporary Charles Taylor this book provides a normative vision for Christian higher education A phenomenological reappropriation of human subjectivity reveals an authentic order to love even when damaged by sin and loves made authentic by grace allow the intellectually morally and religiously converted person to attain an integral unity Properly understanding the integral relation between love and the fullness of human life overcomes the split

between intellectual and moral formation allowing transformed subjects authentic lovers to live seek and work towards the values of a certain kind of cosmopolitanism Christian universities exist to make cosmopolitans properly understood namely those persons capable of living authentically In other words this text gives a full orb ed account of human flourishing rooted in a phenomenological account of the human as basis for the mission of the university

Healing After Narcissistic Abuse Sofia Lane, 2026-02-23 When a narcissistic relationship ends many expect the relief to come quickly Instead what often arrives is confusion a disorienting mix of grief self doubt and an inexplicable longing for someone who caused so much pain Healing After Narcissistic Abuse explores what happens inside a person long after the relationship is over It examines the subtle ways narcissistic dynamics reshape your sense of self how you learned to shrink to over explain to question your own perceptions and gently reframes this not as damage but as a deeply intelligent response to an environment that was never safe This book offers insight into the patterns that linger the hypervigilance that follows you into new relationships the shame that masquerades as self awareness and the strange grief of mourning someone who may never have truly seen you It does not offer a step by step recovery formula or promise that time alone will fix what was broken What it offers instead is something more grounding a compassionate understanding of your inner experience and the quiet reassurance that what you survived makes complete sense For anyone who has ever felt more lost after leaving than during who struggles to trust their own memory or who simply needs someone to acknowledge this kind of pain runs deeper than most people understand
