Sicilian Secrets: An Odyssey for Truth Alberta B. Hornyak, 2022-06-30 An immigrant Italian family is humiliated by their daughter's actions Eastville a town of fifteen hundred hears all The rumor mill spins and spins The family holds this secret tightly to the chest of ancestors and strangers Secrets are knots woven with an encore All of the four estranged children live challenging lives Connie a granddaughter grows up in a chaotic home Her future is faced with depression and paternity confusion After twenty seven years the mother's whereabouts are discovered The mother is dead but leaves a daughter Much communication ensues Most families have a skeleton dangling in a closet somewhere The descendants of Pietro and Guiseppina La Placa found many doors as they walked the hall of life with numerous skeletons ready to rattle out This is foremost the story of Connie Basile third generation Sicilian who at an early age sensed the skeletons Why don't I have a grandma elicited mother Serafina's answer She's dead But was Grandma Mazie dead May I see your wedding picture was cut off with Don't have any Despite Connie's childhood in the stately Northend Tavern among small town characters her anxious nail biting became recurring bouts of adult depression Her brother Salvatore didn't share her sensitivity to the family dynamic Connie and her family are devout Catholics Connie persevered to sing teach marry Ed and raise four children after being widowed young Grandma Mazie is discovered living a new life in Albany with her first husband Joe's brother Paul and she has a daughter Dina much to the distress of the four children she ran away from Dina tells Mazie's first family about her marvelous loving parents Not until a passport clerk said Step aside I have a different birth certificate here did the buzzing of town and family gossips make sense to Connie She finds out she was adopted at the age of 4 by Constantino her current father from her mother's first husband Vincenzo Outside the hall of secrets are glorious family celebrations with song vino

and homemade Italian food Connie's great aunts accomplished seamstresses and her uncles close in age adore her She has many cousins Eventually Connie discovers a kindred soul in a half sister Sally Vincenzo's daughter Overall Sicilian Secrets is a story of Connie's triumphs Catalog of Copyright Entries Library of Congress. Copyright Office,1961 The Prairie Farmer ,1957 The Little Conquerors Ann Abelson,1960 This is a rich vital novel about a large Italian family determined to make their own way in a conservative New England town dominated by Irish politicians The implications of the book are broadly sociological but its concern is warmly human Spanning three generations the story of the Giordanos takes place during the years 1938 to 1956 and it is largely episodic Presiding over events and fiercely possessive of her children's fortunes is the widowed matriarchal Annunziata who though inextricably bound to old country customs goads her children especially the boys towards new world symbols of success so long as they are translated into Italian terms For Mike an artist and John enmeshed in the academic rat race Mamma's influence has schizophrenic results Desperate to prove that they can rise above the Abbott Street ghetto and endowed with intelligence and education they nevertheless lack the moral stamina ever to really achieve anything Annunziata has their spirits broken Only Vincent because he happened to marry well gets Mamma's approbation though he is himself beset by anxieties and doubts about the worth of his life In the girls Connie and Tess complacent and ordinary Annunziata has no real opponents it is the determined and calculating Linda who is her closest match Supposedly relegated to spinsterhood at thirty five Linda for ten years had been the mistress and confidante of wealthy socially prominent Vito Marcotti And shrewdly when Vito's wife died she blackmailed him into marrying her but not without paying the price of Annunziata's knowledge of the affair though it is typical of Annunziata that she would condemn her daughter's way of life only if it proved unsuccessful The book ends with Linda's triumph and on a sociological note as Abbott Street is demolished to make way for a super highway Annunziata's grandchildren will have different battles to fight It's a lively and exceptionally readable story absolutely authentic and believable to the last detail Kirkus **Liberty** ,1926 The Guam Recorder ,1928 *John Chapman of Spotsylvania County, Virginia, Thomas Powe of Cheraw, South Carolina* Elsie Chapman Edmonds,1971 **Catalogue of Title-entries of Books and Other Articles Entered in the Office of the Librarian of Congress, at Washington, Under the Copyright Law ...
