Conquering Deception Paperback By Nance Jef:

Conquering Deception Jef Nance,2000 Swapping Lies! Marc A. Bringman,2004 In a world where business ethics have taken a back seat to the pursuit of wealth and power and movements like political correctness have muzzled the fair exchange of ideas is it any wonder that the average employee views the workplace with suspicion and consequently checks their loyalties at the office door Dishonesty has crept into the workplace and undermined organizational performance Navigating this environment is a difficult task for employees and managers alike Swapping Lies takes the issue of deception in the workplace head on In a powerful blend of academic research common sense business advice and home spun tales the author presents a case for change In doing so he offers more than 80 Tips designed to help the reader navigate today s complex work environment In a refreshing change in presentation and style this author provides a third dimension in his footnotes In addition to a comprehensive list of references the author uses the footnote as a running commentary on the main text Much like an alter ego each footnote adds a deeper insight to both the subject at hand and the author himself All in all Swapping Lies is a real world view of today s organization and a no nonsense approach to effective organizational management **Books In Print 2004-2005** Ed Bowker Staff,Staff Bowker, Ed,2004 *Forthcoming Books* Rose Arny,1998-06
