*Lady of Conquest* Tamara Leigh, 2016-01-31 CURSED England of The Norman Conquest 1068 Two years have passed since the Battle of Hastings changed the course of a nation As the defeated Saxons continue to chafe against the yoke of Norman rule Rhiannyn of Etcheverry finds herself at the center of a rebellion when the conqueror she refuses to wed dies in her arms cursing her never to know the love of a man or the blessing of children Certain only her silence can save her people from retaliation she holds close the dark truth about his death But when his avenging brother saves her life she discovers another side to the celebrated warrior of Hastings one that will test her loyalties and beliefs And expose the innocent heart beneath her Saxon pride UNFORGIVEN Renouncing his holy vows Maxen Pendery pledges to discover who murdered his brother even at the cost of the soul he has wrestled to save since thrusting his sword in the blood soaked soil of Hastings and walking away But when he has Rhiannyn of Etcheverry at his mercy she continues to protect the rebel leader to whom she was once betrothed Though breathtakingly lovely not once does she use her wiles to battle Maxen only her sharp tongue strong will and a selflessness that makes something unexpected stir his ignoble heart leaving him torn between duty and longing Will this cursed beauty be the death of him Or might she be his redemption

**Why History Matters** Gerda Lerner, 1998-02-26 All human beings are practicing historians writes Gerda Lerner We live our lives we tell our stories It is as natural as breathing It is as important as breathing too History shapes our self definition and our relationship to community it locates us in time and place and helps to give meaning to our lives History can be the vital thread that holds a nation together as demonstrated most strikingly in the case of Jewish history Conversely for women who have lived in a world in which they apparently had no history its absence can be devastating In *Why History Matters* Lerner brings together her thinking and research of the last sixteen years combining personal reminiscences with innovative theory that illuminate the importance of history and the vital role women have played in it *Why History Matters* contains some of the most significant thinking and writing on history that Lerner has done in her entire career a summation of her life and work The chapters are divided into three sections each widely different from the others each revelatory of Lerner as a woman and a feminist We read first of Lerner s coming to consciousness as a Jewish woman There are moving accounts of her early life as a refugee in America her return to Austria fifty years after fleeing the Nazis to discover a nation remarkable both for the absence of Jews and for the anti Semitism just below the surface her slow assimilation into American life and her decision to be a historian If the first section is personal the second focuses on more professional concerns Included here is a fascinating essay on nonviolent resistance tracing the idea from the Quakers such as Mary Dyer to abolitionists such as Theodore Dwight Weld the most mobbed man in America to Thoreau s essay *Civil Disobedience* then across the sea to Tolstoy and Gandhi before finally returning to America during the civil rights movement of the 1950s There are insightful essays on American Values and on the tremendous advances women have made in the twentieth century as well as Lerner s presidential address to the Organization of American Historians which outlines the contributions of women to the field of history and the growing importance of women as a subject of history The highlight of the final section of the book is Lerner s bold and innovative look at the issues of class and race as they relate to women an essay that distills her thinking on these difficult subjects and offers a coherent conceptual framework that will prove of lasting interest to historians and intellectuals A major figure in women s studies and long term activist for women s issues a
