C. Tefft,2009-02 Why are we born For what purpose are we here The longer we remain unaware of what is taking place within us of what drives us and what can liberate us from the bonds of egocentric behavior the longer we allow what the Buddha called the sorrow of life to hold sway The sorrow of life is the sum and consequence of our total identification with the world that is created by self The word Consciousness means something more than what the mind of self thinks imagines or conceives Awareness in Pure Consciousness is an awareness that is other than self and beyond thought Contrary to traditional thinking the so called unseen unknown world is nothing more than Consciousness of which we are unaware Unawareness in Consciousness has been evolving into Awareness in Consciousness since before time began The author of this work comprehensively sets forth a meaning of ancient scripture that likely has not been advanced to you before He demystifies ancient legends and myths so the essential truth of ancient teachings shines through Using ancient scripture as a guide he insightfully explores a growing conscious awareness that has been emerging within mankind over the last few thousand years A must read for anyone looking to discover the deeper meaning of ancient scripture beyond a literal interpretation of the words **Christ Consciousness** Birthe Hansen,2021-10-29 Christ Consciousness Christ who is he How is Christ Consciousness defined How do we pray These are perennial concerns of those seeking to enter the world of spirituality Jesus Christ is regarded as the historical figure who is associated with various facets of the Christianity religion Christ is an English translation of the Greek word Khritos which means anointed one It is referred to in Hebrew as the Messiah Christ Consciousness or Christ is not affiliated with any particular religious sect or orientation This is because Christ Consciousness is a state of consciousness that can be defined

**Metaphors of Consciousness** Ronald S. Valle, Rolf von Eckartsberg, 2012-12-06 As we move into the 1980s there is an increasing awareness that our civilization is going through a profound cultural transformation At the heart of this transformation lies what is often called a paradigm shift a dramatic change in the thoughts perceptions and values which form a particular vision of reality The paradigm that is now shifting comprises a large number of ideas and values that have dominated our society for several hundred years values that have been associated with various streams of Western culture among them the Scientific Revolution of the seventeenth century The Enlightenment and the Industrial Revolution They include the belief in the scientific method as the only valid approach to knowledge the split between mind and matter the view of nature as a mechanical system the view of life in society as a competitive struggle for survival and the belief in unlimited material progress to be achieved through economic and technological growth All these ideas and values are now found to be severely limited and in need of radical revision

**Consciousness Unfolding** Joel S. Goldsmith, 2013-04-08 The Kingdom of God is within you As a matter of fact you are the individualization of all that god is All that I have is thine Of course it is not a human being at all It is a divine being But the world interprets the human scene as a human one so that what is appearing to the world as a human as you or as me is now receiving from within the depth of its own being the revelation of its true nature And truth that is true is universal

**How Did Jesus Know He Was God?** William Chami, 2020-04-02 The self consciousness and human knowledge of Christ is a contemporary christological issue which seeks to understand the awareness that the God man Jesus Christ possessed of himself during his life on earth The present question primarily concerns itself with exploring how the Son knows

that he is the Son in his human mind Traditionally this question has been asked and answered that through the beatific vision the Son knew himself as divine in his human mind However recent theories advanced by scholars seem to preclude any notion of beatific knowledge in the Incarnate Son This book explores the perspectives of three main authors Jacques Maritain Karl Rahner and Thomas Weinandy in relation to the present question and attempts to provide an answer for how the Incarnate Son apprehended his divine identity through his human operations Considered also is the scope of Christ s human knowledge with regard to two specific objects of knowledge These concern whether the Son as man had an awareness of those for whom he gave his life Gal 2 20 and whether the Son was really ignorant of the eschatological final day and hour Mark 13 32 Matt 24 36

Ananda,2014-08-12 What is the Gospel Knowing the answer to this question is vital if one is to receive salvation for belief in the wrong gospel will not save but condemn Gal 1 6 9 In the Gospel of Matthew Jesus himself explains the Gospel in his very own way for it is written Jesus said to them The Son of Man will be crucified On the third day he will be raised to life Whoever wants to become great among you must be your servant just as the Son of Man did not come to be served but to serve and to give his life as a ransom for many Matthew 20 17 19 26 28 To save you from eternal damnation God sent His Son Jesus Christ into the world to become its savior Because God so loved the world John 3 16 He gave his own son to pay the penalty for our sins on the cross This is the good news of the Gospel By his blood you can pray to invite Jesus into your heart If you do this he will become your personal Lord and Savior The promise given to all true believers is as follows Whoever is thirsty let him come and whoever wishes let him take the free gift of the water of life the tree of life and the holy city Revelation 22 17 19 Instead of hunger and thirst you are given the promise of the water and of the tree of life Through the blood of Christ you will return to paradise for from paradise man was taken and to paradise man must return In the restoration of all things the end is like the beginning Acts 3 21 For this reason the Apostle Paul in his letter to the Romans clarified the forgiveness that is found in Jesus saying All have sinned and fall short of the glory of God but God demonstrates his own love for us in this While we were still sinners Christ died for us for the wages of sin is death but the gift of God is eternal life in Christ Jesus our Lord If you confess with your mouth Jesus is Lord and believe in your heart that God raised him from the dead you will be saved Romans 3 23 5 8 6 23 10 10 The gospel is the good news of the death burial and resurrection of Jesus Christ of whom the Bible declares Salvation is found in no one else for there is no other name under heaven given to men by which we must be saved Acts 4 12 And Jesus said of himself I am the way and the truth and the life

No one comes to the Father except through me John 14 6 Why is this such wonderful news It provides full and free deliverance from the power and penalty of sin This is according to the grace of God alone through faith in Jesus Christ alone for it is by grace you have been saved through faith Eph 2 8 10 However in the Gospel of Luke Jesus warns I tell you Nay but except ye repent ye shall all likewise perish Lk13 3 If you simply turn from your sins by turning to the cross you will experience the renewal that the Holy Spirit brings Believe in your heart that Christ died and rose again That is faith in God The only way you can be saved is by accepting His free gift of eternal life When this happens the evidence of true belief is the presence of the Holy Spirit for he convicts you of sin causes spiritual birth indwells seals sanctifies guides equips teaches
