Confessions of a Cineplex Heckler Joe Queenan,2000-02-02 Collection of essays previously published in magazines and newspapers

Sleaze Artists Jeffrey Sconce,2007-10-24 Collection of essays on the impact that non mainstream and middlebrow film genres have had on popular culture including sexploitation horror cult XXX and indie films

Snark David Denby,2009-01-13 What is snark You recognize it when you see it a tone of teasing snide undermining abuse nasty and knowing that is spreading like pinkeye through the media and threatening to take over how Americans converse with each other and what they can count on as true Snark attempts to steal someone s mojo erase her cool annihilate her effectiveness In this sharp and witty polemic New Yorker critic and bestselling author David Denby takes on the snarkers naming the nine principles of snark the standard techniques its practitioners use to poison their arrows Snarkers like to think they are deploying wit but mostly they are exposing the seethe and snarl of an unhappy country releasing bad feeling but little laughter In this highly entertaining essay Denby traces the history of snark through the ages starting with its invention as personal insult in the drinking clubs of ancient Athens tracking its development all the way to the age of the Internet where it has become the sole purpose and style of many media political and celebrity Web sites Snark releases the anguish of the dispossessed envious and frightened it flows when a dying class of the powerful struggles to keep the barbarians outside the gates or alternately when those outsiders want to take over the halls of the powerful and expel the office holders Snark was behind the London based magazine Private Eye launched amid the dying embers of the British empire in 1961 it was also central to the career hungry New York based magazine Spy It has flourished over the years in the works of everyone from the startling Roman poet Juvenal to Alexander Pope to Tom Wolfe to a million commenters snarling at other people behind handles Thanks to the grand dame of snark it has a prominent place twice a week on the opinion page of the New York Times Denby has fun snarking the snarkers expelling the bums and promoting the true wits but he is also making a serious point the Internet has put snark on steroids In politics snark means the lowest most insinuating and insulting side can win For the young a savage piece of gossip could ruin a reputation and possibly a future career And for all of us snark just sucks the humor out of life Denby defends the right of any of us to be cruel but shows us how the real pros pull it off Snark he says is for the amateurs

My Goodness Joe Queenan,2001-07-11 Years upon years of being unspeakably nasty to icons as diverse as Jimmy Carter Barbra Streisand and even Mother Nature herself had taken its toll on Joe Queenan The man all editors turned to when they needed a book film or tv program savaged was tired of being so mean He wanted to be more like Susan Sarandon Or Sting Determined to mend his ways Queenan embarked on the most difficult task of his career he decided to become a nice person Now available in paperback My Goodness is the side splitting result of Queenans attempted transformation from his use of animal friendly Body Shop goods to his letter of apology to Jackie Collins after a scathing review of her latest book from his quest to save the whales to his quest to save Linda Tripages
