Confessions Of A Reformed Bingo Addict:

Confessions of a Reformed Bingo Addict Roniele,2003-09-23 BINGO is a recreational hobby that will never go out of style It's a game adults just love to hate But it keeps us going back for more What is supposed to be a pastime of pleasure can grow into pathetic paranoia Confessions of a Reformed Bingo Addict is a true story based on thirty something years of laughable memories and annoying experiences with bingo and bingo buddies A former liar about my age to enter a bingo hall to the grueling task of bringing the husband to a high stakes bingo for the first time If you are a person who loves golfing fishing or any kind of diversion in today's society the compulsions are there and are probably very familiar in this book As bingo players we really don't take offense too much we've seen it done it and said it all and we want to do it again

Hold On, Honey, I'll Take You to the Hospital at Halftime Norman Chad,1994-10 It started 50 years ago with a few TV baseball games Now every man who's not out in the woods finding his inner wild man is plunked down in front of a 27 inch diagonal screen watching football basketball hockey darts the Olympics anything that even faintly resembles a sport This hilarious biting incisive book takes a look at the hugely popular phenomenon of television sports *Books In Print 2004-2005* Ed Bowker Staff,Staff Bowker, Ed,2004
