*Confessions of a Writer* Kamela McCluster, 2018-08-13 Dear Writer I hope that by now your soul emotions and pen and everything that you have experienced thus far in life has been ignited I hope that everything that was once dormant in you has been renewed and filled with the breath of life George Lucas once said We are all living in cages with the door wide open Writer you are free to write and express every thought and idea that comes to your mind Allow your writing to free you in such a way that you never look back and if you happen to glance back let it only be to see how far you have come Remember these two simple words Writers WRITE They don't wait to be inspired for what they've already been called to do Many of you have picked up the pen and put it back down too many times to name Perhaps your experience is way too painful to write I don't care if it takes you ten months or two years to complete it just promise me that you will P U S H Pen Until Something Happens Just as in natural childbirth you will experience a lack of power and you will need to rely on assistance from others Remember the passenger that you are carrying the vision may be bigger than what you expect to give birth to Lastly the positioning is very vital the wrong position can stop a natural childbirth as it is with your writing The right time and the right place will allow you to give birth to something so powerful and beautiful Your MidWife Kamela

**Rhetorical Confessions of a Writer** Edge, Zero, 2014-04-20 Here is something for you to know and remember I never liked synopses something about them no matter how curious I was that always hooked me into knowing whether or not this will be a good or a bad read of a book It was in that sense I knew I did not want to be a part of it Being the reader in the sense I want to share the book I only wanted to give a certain sense of ambiguity to those who will read it a glimpse of what they can expect After all would you not want to be spoiled of the details of how good the movie really is before your friends have seen it Only of course books are way better than a film It keeps you intrigued in the edge of your seat and breathless at the end of that last page or it could make you cuss impulsively depending on how the author ended it It's those feelings you have to control and the urge to just say that this book made you feel less of a different person then congratulations you read a book With that confession made I urge you to whatever it is what you are actually thinking Do not IF the pie looks good do not eat it For it is a lie and you are bound to head into a different direction the moment you start eating this pie I mean reading this book Either way enjoy

**Confessions of a Freelance Writer** Terry Morris, 2001-11 In *Confessions of a Freelance Writer* Terry Morris already retired and in her seventies wrote her recollections of the outstanding experiences she had during her forty year career as one of the top magazine writers in the United States From the more than 100 articles she published in many widely circulated magazines including *McCall's Red Book Reader's Digest* and *Cosmo* politan she selects outstanding examples and describes her methods of obtaining the stories how she sold them and their aftermath She characterizes herself as a garbage pail someone who picks up ideas and leads from throwaway lines others have discarded and builds them into personal interest stories about all types of ordinary people in extreme situations She also discusses how she established relationships

with key figures in publishing in order to see her stories in print This book should be of interest not only to the average reader but to aspiring authors in a large mass market *Confessions of a Ghostwriter (The Confessions Series)* Andrew Crofts, 2014-07-30 HE S WRITTEN MORE THAN 80 BOOKS HE S SOLD MILLIONS OF COPIES ACROSS THE WORLD HE IS THE MAN BEHIND A DOZEN SUNDAY TIMES TOP 10 HITS SPENDING OVER 120 WEEKS IN THE BESTSELLER CHARTS BUT YOU PROBABLY HAVEN T HEARD OF HIM *Confessions of a Self-help Writer* Benjamin Wade DeHaven, 2014 1 Most Wished for on Indie Bound for over 10 weeks A funny audacious and devastating work of fiction loosely based on factual events As much a comedy as a tragedy Confessions stands out to as a piece of unique literature that should be remembered for its originality as much as for its actual relevance as a mantra for living life in today s harsh reality Dive into the psyche of one of the world s most profound advisors a liar and a Quixotic adventurer who admits freely to both lurid depravity and emotional complexity He s experienced a complete range of emotion by living fast loose and irresponsibly His mistakes would ruin most and not many would match his pension for drugs booze and prostitution Despite these demons he has fooled the unknowing public into thinking he is someone to revere and ironically could be responsible for saving more people than Mother Teresa and Gandhi combined Who is Michael Enzo You certainly haven t heard of him since his entire canon was published under the names of movie stars politicians and business leaders But he s associated with more works than Agatha Christie Dean Koontz and Stephen King Two of the world s ten wealthiest men are said to have used Enzo as a ghost writer but not a single person willingly admitted to knowing him Conversely I found glowing remarks from many of whom attribute their status in life to his Enzo s words and none cared for a minute that the famous names appearing on their books were not the actual portents of such sage advice You don t want to find out what s in this journal if you are one of these subscribers In Enzo s version of the truth lies a character easily classified as a psychopath Enzo wrote self help books purely for profit Hypocrite isn t a strong enough word to describe him Michael recounts drug deals catastrophic gambling losses molestation of a Virginia Ham defiling the bathroom habits of cats and dogs alike abandoning friends in need sympathizing with underage prostitutes supernatural proclivities in dorm rooms and the deaths of the closest of unknown friends The most disheartening confession of all is that he would only fall back on his tremendous talent writing self help as a last act to pay his debtors and sustain his ridiculous lifestyle Benjamin DeHaven is also a recurring character in Enzo s stories and it s easy to understand why these two scribes and business partners are no longer friends especially with all enterprises ending badly for DeHaven Their bond is so close they even shared love for the same woman named Susan who may or may not have been a porn star DeHaven shares his own perspective of the Enzo years and admits responsibility for some of his counterpart s bad behavior Frankly DeHaven is often times shown in a very negative light which adds a much needed layer of credibility to such a fantastical story In conclusion the confessions of both Michael Enzo and Benjamin DeHaven leave me wondering just how close these two actually were I can t tell if DeHaven truly wants to truly ruin any remaining positive connotations Enzo may

have or if he's actually doing this out of love reaching out to the one person who is still lost Michael Enzo wherever you are pick up a self help book and give it a read Who knows you may have written it Makes Bukowski read like a Disney story Scripps Media Eye opening even eye popping at points and involving reads like a thriller but is true life confession at its best Midwest Book Review A thinking man's Tucker Max or an idiot's Hunter S Thompson Dr Kenneth Wilbur Here is one book you must read that also asks you What's the meaning of life and is there really a God upstairs guiding your decisions Ed Held Studio News Confessions of a Self-help Writer Benjamin W. DeHaven,2014 A ghost a philanthropist a con man a devout Catholic a gigolo a savior an heir a common man and an addict are just some of the words used to describe Michael Enzo who some sources credit with ghost writing more than 108 self help books on behalf of celebrities politicians and business leaders After failing to make what he considered to be a positive impact on society he began to destroy those closest to him including Benjamin DeHaven the author of this book and former collaborator Defrauding an industry for almost 20 years by exploiting people's insecurities and profiting from them more than likely these friends contributed more to the field of self help while profiting from it than they will ever know Believing they could only understand people's problems by suffering along with them they lived on the razor's edge If you've ever picked up a tell all biography of a celebrity or a title from the self help section at the bookstore certainly you would question the source This is an inside look at the mind of Michael Enzo and it is the author's hope that people will start helping themselves again after reading it Discover what turns someone from preaching salvation towards seeking its destruction You won't believe this could be true **Confessions of a Teenage Writer** The Students of Pearl-Cohn High,Myra Taylor,2011-04 The students in Mrs Taylor's 7th block AP English class at Pearl Cohn Entertainment Magnet High School created an anthology of their greatest hits their stories in their own words and voices This book is a collection of those stories Come for a visit to see what is being shared in Confessions of a Teenage Writer *Confessions of a Writer* Saeed Tavakkol,2004-12 The fifteen pieces of fictional works that demonstrate the power of imagination intelligence and style These brief fictions offer a unique perspective on life and take the readers on a journey into a bizarre and profoundly magical realm Truly original works of metamorphoses memories and revelations
