Confessions of Dan Yack Blaise Cendrars, 1990 **Dan Yack** Blaise Cendrars, 1987 Centering on eccentric English millionaire shipowner notorious hell raiser and the envy of all St Petersburg Dan Yack this strange travel yarn begins with the protagonist finding out that he is no longer wanted by his lover Hedwiga Rejection letter in hand he eventually wanders into a nightclub to impulsively invite a handful of artists to accompany him on a world voyage via the Antarctic As their journey progresses the weather worsens and they enter pack ice Impatient Dan orders the crew to land him and his three companions while they wait for a clear passage They have enough provisions for a long dark polar winter but things do not run smoothly The musician destroys their watches the poet drifts off into serious daydreams and the sculptor starts making statues of Dan Yack in ice And Dan himself is worried about time about breaking his monocle and about having no one to love But when the sun finally returns after the polar winter no one could predict the surreal disaster that is about to unfold a scenario involving a plum pudding whales women and World War I [Les confessions de Dan Yack](#) Blaise Cendrars, 1929

[Les confessions de Dan Yack](#) Blaise Cendrars, 1983 **Les confessions de Dan Yack**, 1929 **Blaise Cendrars** Eric Robertson, 2022-08-04 A new account of the life and work of innovative pseudonymous French poet novelist essayist and film writer Blaise Cendrars In 1912 the young Fr d ric Louis Sauser arrived in France carrying an experimental poem and a new identity Blaise Cendrars was born Over the next half century Cendrars wrote innovative poems novels essays film scripts and autobiographical prose His groundbreaking books and collaborations with artists such as Sonia Delaunay and Fernand L ger remain astonishingly modern today Cendrars s writings reflect his insatiable curiosity his vast knowledge which was largely self taught and his love of everyday life In this new account Eric Robertson examines Cendrars s work against a turbulent historical background and reassesses his contribution to twentieth century literature Robertson shows how Cendrars is as relevant today as ever and deserves a wider readership in the English speaking world **Shades of Sexuality** Amanda Leamon, 2023-11-27 **Shades of Sexuality Colors and Sexual Identity in the Novels of Blaise Cendrars** by Amanda Leamon is currently one of the few studies on the modernist poet and novelist Blaise Cendrars to be written in English Of interest to scholars of Cendrars Modernism Twentieth Century French Literature and early Twentieth Century Art and Humanities **Shades of Sexuality** is unique among the growing body of criticism and analysis of Cendrars fiction in that it explores the ways in which Cendrars makes use of the spectrum of fragmented colors and other elements of disguise and trompe l oeil both as an artistic device in the construction of the fictional tekst and as a recurrent motif in the representation and exploration of the male subject and his relation to woman The author demonstrates how Cendrars effects intersections of gender in the tekst through the manipulation of colors and their associations with femininity ultimately undermining the illusory fa ade of male autonomy which dominates his fictional corpus [Masculinities in Twentieth- and Twenty-first Century French and Francophone Literature](#) Edith Biegler Vandervoort, 2011-05-25 The study of masculinities and gender

identity in contemporary literature is relatively new and with each year of this millennium gains momentum Indeed as the women s movement becomes forceful in developing nations the question of tolerance to gays lesbians bisexuals and transvestites undergoes a similar process At a time when women refuse to be subjected to war crimes when they begin entering the workforce and realize the need to support their families independently and when they refuse to remain in abusive marriages or remain silent in countries where governments ignore their needs men and women are questioning the meaning of gender in their culture and often seek alternatives to established gender roles In some countries this entails organized demonstrations for additional civil rights while in others the expression of sexual freedom remains a question of remaining silent or risking public execution Thanks to the scholarly commitment of its authors this book examines the range of masculine expression on three continents Europe Africa and the Americas In this collection they write about men s past and present challenges male friendships and male immigrants and outcasts Paralleling the independence movement of France s former colonies the goal of this collection is to continue the expression of freedom toward understanding and tolerance of all variances of sexuality
