Christopher Tomlins

Confessions Of Nat Turner 1st Edition:

The Confessions of Nat Turner Nat Turner,2016-08-29 Nat Turner 1800 1831 was an enslaved African American who led a rebellion of slaves and free blacks in Southampton County Virginia on August 21 1831 His story is the basis for the controversial new film The Birth of a Nation from Fox Searchlight Pictures The Confessions of Nat Turner is the key primary document supporting historical events It is a first hand account of Turner s confessions published by a local lawyer Thomas Ruffin Gray in 1831

In the Matter of Nat Turner Christopher Tomlins,2022-06-14 A bold new interpretation of Nat Turner and the slave rebellion that stunned the American South In 1831 Virginia Nat Turner led a band of Southampton County slaves in a rebellion that killed fifty five whites mostly women and children After more than two months in hiding Turner was captured and quickly convicted and executed In the Matter of Nat Turner penetrates the historical caricature of Turner as befuddled mystic and self styled Baptist preacher to recover the haunting persona of this legendary American slave rebel telling of his self discovery and the dawning of his Christian faith of an impossible task given to him by God and of redemptive violence and profane retribution Much about Turner remains unknown His extraordinary account of his life and rebellion given in chains as he awaited trial in jail was written down by an opportunistic white attorney and sold as a pamphlet to cash in on Turner s notoriety But the enigmatic rebel leader had an immediate and broad impact on the American South and his rebellion remains one of the most momentous episodes in American history Christopher Tomlins provides a luminous account of Turner s intellectual development religious cosmology and motivations and offers an original and incisive analysis of the Turner Rebellion itself and its impact on Virginia politics Tomlins also undertakes a deeply critical examination of William Styron s 1967 novel The Confessions of Nat Turner which restored Turner to the American consciousness in the era of civil rights black power and urban riots A speculative history that recovers Turner from the few shards of evidence we have about his life In the Matter of Nat Turner is also a unique speculation about the meaning and uses of history itself
