## **Confessions To My Mother:**

**Confessions to My Mother** Cathy Guisewite,1999-03 Based on her own life Guisewite created Cathy syndicated for over 20 years in newspapers nationwide starring a sympathetic character who stresses over the four basic guilt groups food love mother and career This collection of all new artwork pays homage to mothers Two color illustrations Confessions M.G. Heise,2021-09-01 Confessions explores a woman s pursuit of the truth about her broken and dysfunctional family Very early in her childhood Debbie had discovered that her life was being controlled by some old and very dark secrets Then one day her father calls and summons her to come back to Missouri to discuss some family business She arrives to find he is in a hospice dying and he wants to make a deathbed confession Upon hearing her father s story Debbie believes her father s actions were justifiable Then she learns he confessed it once before to her mother forty years ago What was in that confession that destroyed her mother Every time her father visited Debbie her mother would go into hysterics sometimes for weeks Her mother and father had kept secret the story of their romance and his confession from Debbie for decades Now she had her father s story Would her mother be able to tell her side of the story Confessions as a novel addresses the relationship between a sin a confession and forgiveness Which is worse the original sin if kept a secret or the confession of the sin to the recipient We are taught to confess to seek forgiveness from the person we have sinned against But is that always the right choice What if the confession does not generate the forgiveness we desire What if the confession destroys that person ruins their life and the lives of others What if the confession was given for that purpose not seeking forgiveness but seeking revenge Confessions have consequences that can t always be controlled **Confessions to My Wife** Henri de Noussanne,1909 CONFESSIONS OF AN EX-GIRLFRIEND Lynda Curnyn,2012-08-15 Ex Girlfriend Emma Carter has a lot on her mind Her boyfriend got a life in L A Her hairdresser found God And that extra ten pounds of relationship flab she acquired while falling in love with a commitment phobe has just put her out of the running for new romance or so she thinks But before Emma can get on with her life she s got to face a few startling truths about being single in New York City Confession 5 Marriage suddenly seems like a social disease Even the latest bride in my family my mother has put me to work in the service of her wedding day What about us non brides to be Working in the warped little world of wedding planning has only led me to one conclusion If you don t get married in this world you get nothing Once in an editorial meeting I jokingly suggested that a woman should get a bridal shower when she turns thirty wedding or not Everyone looked at me as if I were some kind of nut I am 31 years old am I not entitled to free Calphalon yet Who ever thought that baring your soul could be this good *The Confessions of Frances Godwin* Robert Hellenga,2014-07-08 The Confessions of Frances Godwin is the fictional memoir of a retired high school Latin teacher looking back on a life of trying to do her best amidst transgressions starting with her affair with Paul whom she later marries Now that Paul is dead and she s retired Frances Godwin thinks her story is over but of course the rest of her life is full of surprises including the truly shocking turn of events that occurs when

she takes matters into her own hands after her daughter Stella's husband grows increasingly abusive. And though she is not a particularly pious person in the aftermath of her actions, God begins speaking to her. Theirs is a deliciously antagonistic relationship that will compel both believers and nonbelievers alike. From a small town in the Midwest to the Piazza Santa Maria in Trastevere in Rome, *The Confessions of Frances Godwin* touches on the great questions of human existence: Is there something out there that takes an interest in us? Or is the universe ultimately indifferent?
