Confidence Men Harrison Fluss, Landon Frim, 2026-04-14 Uncovers the irrational philosophy behind today's confidence men from Jordan Peterson to Elon Musk Andrew Tate and beyond Why do millions of Americans support a system that is making them poorer sicker and less secure every day If modern capitalism routinely exploits working people then why do so many flock to its most reactionary defenders in personalities like Jordan Peterson Elon Musk and Andrew Tate Or as the philosopher Baruch Spinoza asked why do we fight for slavery as if it were our salvation *Confidence Men The Duping of the American Mind* provides a compelling answer to those questions Mere journalistic accounts of these hucksters have pointed out their many lies and inaccuracies their personal failings and rank hypocrisy *Confidence Men* does something different Instead of treating these sensational figures as individual bad actors it identifies a common philosophy that animates them all Each of them are in their own ways irrationalists believing in the power of a strong will to overcome ordinary reality and ordinary people Objective facts nature and even human nature melt away before the creative genius or the mystical hero Today's confidence men are the cheerleaders of hierarchy and domination where the supreme value is one of unhinged belief in oneself As against reactionary forms of self help *Confidence Men* proposes a rationalist alternative neither wishing our problems away nor manifesting success but instead understanding the world so that we can change it for the better

Votes of Confidence Jeff Fleischer, 2024-03-05 A detailed primer on the United States election cycle newly revised and updated Every four years coverage of the presidential election turns into a horse race story about who's leading the polls and who said what when Social media and online news have made it easier to spread false information even by accident and harder to know what's accurate It can be difficult to get good information about how the election process actually works why it matters or how you can get involved Civics education and information about how our government functions is necessary whether you're a longtime voter or a soon to be voter This newly revised edition includes statistics and

anecdotes from recent elections alongside straightforward nonpartisan analysis and explanation Author Jeff Fleischer uses a fun casual voice and real world examples to provide an essential resource that will remain relevant long after the next president is elected Praise for the second edition of *Votes of Confidence* A very readable engaging and entertaining history of American elections and politics for young people starred Booklist Reads like course notes from a beloved teacher A history lesson civics compendium and call to action combined in one engaging volume School Library Journal *The King of Confidence* Miles Harvey, 2020-07-14 The unputdownable Dave Eggers National Book award finalist story of the most infamous American con man you've never heard of James Strang self proclaimed divine king of earth heaven and an island in Lake Michigan perfect for fans of *The Devil in the White City* Kirkus A New York Times Book Review Editors Choice Longlisted for the 2021 Andrew Carnegie Medal for Excellence in Nonfiction Finalist for the Midland Authors Annual Literary Award A Michigan Notable Book A CrimeReads Best True Crime Book of the Year A masterpiece Nathaniel Philbrick In the summer of 1843 James Strang a charismatic young lawyer and avowed atheist vanished from a rural town in New York Months later he reappeared on the Midwestern frontier and converted to a burgeoning religious movement known as Mormonism In the wake of the murder of the sect's leader Joseph Smith Strang unveiled a letter purportedly from the prophet naming him successor and persuaded hundreds of fellow converts to follow him to an island in Lake Michigan where he declared himself a divine king From this stronghold he controlled a fourth of the state of Michigan establishing a pirate colony where he practiced plural marriage and perpetrated thefts corruption and frauds of all kinds Eventually having run afoul of powerful enemies including the American president Strang was assassinated an event that was frontpage news across the country *The King of Confidence* tells this fascinating but largely forgotten story Centering his narrative on this charlatan's turbulent twelve years in power Miles Harvey gets to the root of a timeless American original the Confidence Man Full of adventure bad behavior and insight into a crucial period of antebellum history *The King of Confidence* brings us a compulsively readable account of one of the country's boldest con men and the boisterous era that allowed him to thrive
