**Conforming to His Image** Rev. William Burk, 2020-12-17 Conforming To His Image is a fascinating and easy to understand verse by verse commentary of the book of Romans Written in conversational style Conforming to His Image will take the reader on a spiritual journey of biblical truth and personal discovery as experienced by the author The mediocrity of today s cultural Christianity is exposed and the extraordinary life God has provided each believer is classically presented This is one of those books which you will want to read cover to cover in one sitting *God Created Man in His Image and Likeness* Oried E. Graves, 2012-10 Everyone who reads the Bible must admit that it tells us to do things that we never have done and cannot do in our fleshly bodies One reason is that God our Creator is telling us what He wants us to be and do as created in His image and likeness Our purpose is in our image and likeness of God our Creator not like the dust of the ground or the flesh of our parents Most children don t know that they are created in the image and likeness of God and their parents have not asked God for His spirit for their children so they can be taught this vital truth The reason parents don t ask God for His spirit for their children is because they don t recognize the need for Him There are several things mankind cannot do in the flesh and they must recognize their origin in the image and likeness of God Mankind must recognize being in the image and likeness of God to first love God with all their being and love his neighbors as himself second to obey God and his parents as required in God s word third to trust God with all his heart fourth to worship God in spirit and in truth and fifth to glorify God in his body and spirit which are God The devil does not want mankind to know that he is created in the image and likeness of God because man will always defeat Satan and fulfill God s will *What it Means to Be* Marion J Thomas II, 2023-01-25 I wrote this book *What It Means to Be a Man of God* during the pandemic when the world was shut down reflecting on my own relationship with God when we had no church to attend because the world was shut down So God spoke to me and said Though the world is shut down my kingdom functions 24 7 Those that know me have access to my kingdom Yes it s accessible to all who trust him But men are essential to the work God wants to do in the world through us and for us We must be kingdom Men of God to represent God on the earth For those of us who are seeking a wife to be our helpmate as I wrote in the book we as men have to show something they can help with We can only do that as men who are operating as men fearfully and wonderfully made who has an established relationship with God faithfully walking with him My prayer is that this book provokes you in activating your call as Men of God who have been called to represent God in our homes our communities and throughout the world so God may get the glory out of our lives **12 Ways Your Phone Is Changing You** Tony Reinke, 2017-04-13 Do You Control Your Phone Or Does Your Phone Control You Within a few years of its unveiling the smartphone had become part of us fully integrated into the daily patterns of our lives Never offline always within reach we now wield in our hands a magic wand of technological power we have only begun to grasp But it raises new enigmas too Never more connected we seem to be growing more distant Never more efficient we have never been more distracted

Drawing from the insights of numerous thinkers published studies and his own research writer Tony Reinke identifies twelve potent ways our smartphones have changed us for good and bad Reinke calls us to cultivate wise thinking and healthy habits in the digital age encouraging us to maximize the many blessings to avoid the various pitfalls and to wisely wield the most powerful gadget of human connection ever unleashed No Cost Jesus? H. Wallace Webster,2021-07-12 Many people think that while living our daily lives can be difficult even challenging following Jesus is actually pretty easy All we need to do is say yes to Jesus and our lives can go on without interruption But is it really that easy to follow Is he a Jesus without cost or requirement At some point we all need to ask ourselves Who is this Lord that I m serving Our culture encourages us to think of Jesus as a good friend who will not put any demands on our time or our lives But the real Jesus the God of the Bible comes with a cost He demands our time He demands our thoughts He demands our lives He demands our all It s only when we are willing to pay that cost that we get to know our Savior as he really is and we realize that he s worth so much more
