## Conquest Of Gaul:

*The Conquest of Gaul* Julius Caesar, 1983-02-24 The enemy were overpowered and took to flight The Romans pursued as far as their strength enabled them to run Between 58 and 50 BC Julius Caesar conquered most of the area now covered by France Belgium and Switzerland and invaded Britain twice and The Conquest of Gaul is his record of these campaigns Caesar s narrative offers insights into his military strategy and paints a fascinating picture of his encounters with the inhabitants of Gaul and Britain as well as lively portraits of the rebel leader Vercingetorix and other Gallic chieftains The Conquest of Gaul can also be read as a piece of political propaganda as Caesar sets down his version of events for the Roman public knowing he faces civil war on his return to Rome Revised and updated by Jane Gardner S A Handford s translation brings Caesar s lucid and exciting account to life for modern readers This volume includes a glossary of persons and places maps appendices and suggestions for further reading *The Gallic Wars*, 2009 **Caesar's Conquest of Gaul** Julius

Caesar, 2012-04-01 The Gallic Wars were a series of military campaigns waged by the Roman proconsul Julius Caesar against several Gallic tribes They lasted from 58 BC to 50 BC and culminated in the decisive Battle of Alesia in 52 BC in which a complete Roman victory resulted in the expansion of the Roman Republic over the whole of Gaul The wars paved the way for Julius Caesar to become the sole ruler of the Roman Republic The Gallic Wars are described by Julius Caesar himself in this book which was originally titled *Commentarii de Bello Gallico* It is a pertinent and only slightly tendentious and altogether the most important historical source regarding the conflict This updated edition contains the translated text along with introductions by Bob Carruthers and Thomas de Quincey *The Gallic Wars* Julius Caesar, 2014-03-27 Caesar portrayed his invasion of Gaul as being a defensive pre-emptive action most historians agree that the wars were fought primarily to boost Caesar s political career and to pay off his massive debts Even so Gaul was extremely important to Rome as they had been attacked many times by the Gauls Conquering Gaul allowed Rome to secure the natural border of the river Rhine Caesar painstakingly describes his military campaign and this is it is still the most important historical source on the Gaul campaign It is also a masterwork of political propaganda as Caesar was keenly interested in manipulating his readers in Rome as he published this book just as the Roman Civil war began W A Macdevitt s translations brings this landmark historic book alive

**Caesar's Gallic Wars 58-50 BC** K. M. Gilliver, 2004-03-01 Julius Caesar was one of the most ambitious and successful politicians of the late Roman Republic and his short but bloody conquest of the Celtic tribes led to the establishment of the Roman province of Gaul modern France Caesar s commentaries on his Gallic Wars provide us with the most detailed surviving eyewitness account of a campaign from antiquity In this book Kate Gilliver makes use of this firsthand account and other surviving evidence to consider the importance of the Gallic Wars in the context of the collapse of the Roman Republic and its slide toward civil war **Caesar's Conquest of Gaul** Don Nardo, 1996 Discusses Caesar s campaigns in Gaul and Britain during the Gallic Wars **Caesar's Conquest of Gaul** Thomas Rice Holmes, 1903 *Caesar's Conquest of Gaul*

with seven other men who will become their closest friends during their times in the legion Titus Vibius and their comrades endure the harsh training regimen that made the legions the most feared military force in the ancient world The 10th Legion is blooded in a series of actions in Spain led by Caesar in a campaign that was the true beginning of one of the most brilliant military careers in history Three years after joining the legions the 10th is called on again this time to be part of the subjugation of Gaul one of the greatest feats of arms in any period of history During the subsequent campaigns the 10th cements its reputation as Caesar s most favored and trusted legion and is involved in most of the major actions during this period This first book of a completed series closes with Caesar crossing the Rubicon and the 10th preparing to march to war this time against fellow Romans *History of Rome* Mandell Creighton,1877 **Second Latin Book** Celia Ford,1925
